MANAGEMENT INFORMATION CIRCULAR

FOR THE 2022 ANNUAL GENERAL & SPECIAL MEETING OF SHAREHOLDERS

This information is given as of November 07, 2022

SOLICITATION OF PROXIES

This Information Circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by the management (the “**Management**”) of iMetal Resources Inc. (the “**Company**”), for use at the Annual and Special meeting (the “**Meeting**”) of the shareholders of the Company to be held at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment(s) or postponement(s) thereof.

PERSONS OR COMPANIES MAKING THE SOLICITATION

The enclosed instrument of proxy is solicited by management. Solicitations will be made by mail and possibly supplemented by telephone or other personal contact to be made without special compensation by regular officers and employees of the Company. The Company may reimburse shareholders’ nominees or agents (including brokers holding shares on behalf of clients) for the cost incurred in obtaining authorization from their principals to execute the instrument of proxy. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company. None of the directors of the Company have advised management in writing that they intend to oppose any action intended to be taken by management as set forth in this Information Circular.

APPOINTMENT AND REVOCATION OF PROXIES

This Information Circular is accompanied by a management instrument of proxy that permits registered shareholders who do not attend the Meeting in person to have their shares voted at the Meeting by a proxyholder appointed by the registered shareholder. The persons named in the accompanying instrument of proxy are directors or officers of the Company. **A shareholder has the right to appoint a person to attend and act for him on his behalf at the Meeting other than the persons named in the enclosed instrument of proxy. To exercise this right, the shareholder must strike out the names of the persons named in the instrument of proxy and insert the name of his nominee in the blank space provided, or complete another instrument of proxy.**

The completed instrument of proxy must be dated and signed and the duly completed instrument of proxy must be deposited at the Company’s transfer agent, Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, at least 48 hours before the time of the Meeting or any adjournment(s) or postponement(s) thereof, excluding Saturdays, Sundays and holidays.

The instrument of proxy must be signed by the shareholder or by his duly authorized attorney. If signed by a duly authorized attorney, the instrument of proxy must be accompanied by the original power of attorney or a notarially certified copy thereof. If the shareholder is a Company, the instrument of proxy must be signed by a duly authorized attorney, officer, or corporate representative, and must be accompanied by the original power of attorney or document whereby the duly authorized officer or corporate representative derives his power, as the case may be, or a notarially certified copy thereof. The Chairman of the Meeting has discretionary authority to accept proxies that do not strictly conform to the foregoing requirements.

In addition to revocation in any other manner permitted by law, a shareholder may revoke a proxy by

- (a) signing a proxy bearing a later date and depositing it at the place and within the time aforesaid,**
- (b) signing and dating a written notice of revocation (in the same manner as the instrument of proxy is required to be executed as set out in the notes to the instrument of proxy) and either depositing it at**

the place and within the time aforesaid or with the Chairman of the Meeting on the day of the Meeting or on the day of any adjournment thereof, or

- (c) **registering with the scrutineer at the Meeting as a shareholder present in person, whereupon such proxy shall be deemed to have been revoked.**

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named as proxyholder in the enclosed instrument of proxy will vote the shares in respect of which they are appointed and, where directions are given by the shareholder in respect of voting for or against any resolution, will do so in accordance with such direction.

In the absence of any direction in the instrument of proxy, it is intended that such shares will be voted in favour of the resolutions placed before the Meeting by management and for the election of the management nominees for directors and auditor, as stated under the headings in this Information Circular. The instrument of proxy enclosed, when properly completed and deposited, confers discretionary authority with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to any other matters that may be properly brought before the Meeting. At the time of printing of this Information Circular, the management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any such amendments, variations or other matters should properly come before the Meeting, the proxies hereby solicited will be voted thereon in accordance with the best judgement of the nominee.

ADVICE TO BENEFICIAL HOLDERS OF SHARES

The following information is of significant importance to shareholders who do not hold shares in their own name. Beneficial shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of shares).

If shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in the shareholder's name on the records of the Company. Such shares will most likely be registered under the names of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from beneficial shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients. There are two kinds of beneficial owners - those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for "**Objecting Beneficial Owners**") and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" for "**Non-Objecting Beneficial Owners**").

In the event that voting instructions are requested from OBOs or NOBOs, such instructions will typically be sought by the shareholder receiving a voting instruction form. If a form of voting instruction form is supplied to you by your broker, it will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in Canada and the United States. Broadridge obtains voting instructions by mailing a voting instruction form (the "Broadridge VIF") which appoints the same persons as the Company's proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than the persons designated in the Broadridge VIF, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the Broadridge VIF. The completed Broadridge VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in

accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting.

If you plan to vote in person at the Meeting:

- nominate yourself as the appointee to attend and vote at the Meeting by printing your name in the space provided on the enclosed voting instruction form. Your vote will be counted at the Meeting so do NOT complete the voting instructions on the form;
- sign and return the form, following the instructions provided by your nominee; and
- register with the Scrutineer when you arrive at the Meeting.

You may also nominate yourself as appointee online, if available, by typing your name in the "Appointee" section on the electronic ballot.

If you bring your voting instruction form to the Meeting, your vote will not count. Your vote can only be counted if you have completed, signed and returned your voting instruction form in accordance with the instructions above and attend the Meeting and vote in person.

NOTICE AND ACCESS

The Company has elected to use the "notice-and-access" provisions under National Instrument 54-101-*Communication with Beneficial Owners of Securities of a Reporting Issuer* (the "**Notice-and-Access Provisions**") for the Meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators intended to reduce the volume of materials which are mailed to shareholders by allowing a reporting issuer to post proxy-related materials in respect of a meeting of its shareholders online.

The Company will not use procedures known as "stratification" in relation to the use of the Notice-and-Access Provisions, meaning that both registered shareholders and Beneficial Shareholders will be mailed a notification of availability of Meeting materials directing them to those websites where they can access the Information Circular and other relevant information (the "**Notice-and-Access Notification**"). If you receive the Notice-and-Access Notification and would like to receive a paper copy of the Information Circular and the financial statements of the Company to be approved at the Meeting and the management's discussion and analysis related to those financial statements (the "**Financial Statements**"), please follow the instructions printed on the Notice-and-Access Notification and the materials will be mailed to you at the Company's expense.

The Company anticipates that notice-and-access will directly benefit the Company through substantial reductions in postage and printing costs. The Company believes that notice-and-access is more environmentally responsible to the extent that it reduces the large volume of paper documents generated by printing proxy-related materials.

Shareholders with questions about notice-and-access can call Computershare Trust Company of Canada toll free at 1-888-787-0888.

The Meeting materials have been posted on the Company's website at www.imetalresources.ca and on the System for Electronic Document Analysis and Retrieval ("**SEDAR**") under the Company's profile at www.sedar.com. In order to receive a paper copy of this Information Circular and the Financial Statements, requests by shareholders may be made up to one year from the date the Information Circular is posted on the Company's website by email to iMetal Resources Inc. at www.imetalresources.ca.

To ensure that a paper copy of the Information Circular can be delivered to a requesting shareholder in time for such shareholder to receive and review the Information Circular and return the completed instrument of proxy or voting instruction form prior to the deadline of at least 48 hours before the time of the Meeting or any adjournment(s) or postponement(s) thereof, excluding Saturdays, Sundays and holidays as set out under the heading "Appointment and Revocation of Proxies" in this Information Circular, it is strongly suggested that a shareholder's request is received **no later than December 13, 2022**. The Information Circular will be sent to such shareholders within three business

days of their request if such requests are made before the Meeting. Following the Meeting, the Information Circular will be sent to such shareholders within ten days of their request.

Those registered shareholders and Beneficial Shareholders with existing instructions on their account to receive printed materials will receive a printed copy of the Meeting materials.

Beneficial shareholders who are OBOs will not receive the Notice and Access Notification or the proxy materials unless their intermediary assumes the costs of delivery.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

On November 07, 2022, 37,379,397 common shares without par value were issued and outstanding, each share carrying the right to one vote. At a general meeting of the Company, on a show of hands, every shareholder present in person has one vote and, on a poll, every shareholder has one vote for each share of which he/she is the holder.

Only shareholders of record on the close of business on November 07, 2022 will be entitled to have their shares voted at the Meeting or any adjournment thereof.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere in this Information Circular, none of the directors or executive officers of the Company, no proposed nominee for election as a director of the Company, none of the persons who have been directors or executive officers of the Company since the commencement of the Company's last completed financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, other than the election of directors, the appointment of the auditor and the approval of the New Stock Option Plan (as defined below).

- (c) any person or company who beneficially owns, directly or indirectly, voting securities of the Company or who exercises control or direction over voting securities of the Company, or a combination of both, carrying more than 10% of the voting rights attached to all outstanding voting securities of the Company, other than voting securities held by the person or company as underwriter in the course of a distribution; and
- (d) the Company if it has purchased, redeemed or otherwise acquired any of its own securities, for so long as it holds any of its securities.

Other than as disclosed elsewhere in this Information Circular, no informed person, no proposed director of the Company and no associate or affiliate of any such informed person or proposed director, has any material interest, direct or indirect, in any material transaction since the commencement of the Company's last completed financial year or in any proposed transaction, which, in either case, has materially affected or will materially affect the Company or any of its subsidiaries.

VOTES NECESSARY TO PASS RESOLUTIONS

Under the Company’s Articles, the quorum for the transaction of business at a meeting of shareholders is three shareholders entitled to vote at the meeting, whether in person or by proxy, who hold, in the aggregate, at least 5% of the issued shares entitled to be voted at the Meeting. A simple majority of the votes of those shareholders who are present and vote either in person or by proxy at the Meeting is required in order to pass an ordinary resolution. A majority of at least two-thirds of the votes of those shareholders who are present and vote either in person or by proxy at the Meeting is required to pass a special resolution.

Stock Option Plans and Other Incentive Plans

The Company has in effect a stock option plan (the “Stock Option Plan”) in order to provide effective incentives to directors, officers and senior management personnel and consultants of the Company and to enable the Company to attract and retain experienced and qualified individuals in those positions by permitting such individuals to directly participate in an increase in per share value created for the Company’s Shareholders. The Company currently has no equity compensation plans other than the Stock Option Plan. The Stock Option Plan is an important part of the Company’s long-term incentive strategy for its executive officers. The Stock Option Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value. The size of stock option grants to officers is dependent on each officer’s level of responsibility, authority and importance to the Company and the degree to which such executive officer’s long-term contribution to the Company will be key to its long-term success. Previous grants of stock options are taken into account when considering new grants.

The Shareholders will be asked at the Meeting to approve the adoption of a new stock option plan (the “**2022 Option Plan**”), which will replace the existing Stock Option Plan, and the adoption of a restricted share unit & deferred share unit plan (the “**RSU/DSU Plan**”). See “*Particulars of Other Matters to be Acted Upon*”.

External Management Contracts

Neither Satvir Dhillon, the Company’s CEO, nor Johan Grandin, the Company’s Director, are employees of the Company, but rather derive their compensation indirectly through consulting agreements as described in “*Employment, consulting and management agreements*” below.

Employment, Consulting and Management Agreements

Other than as disclosed and below, no services were provided to the Company during the most recently completed financial year by a director or Named Executive Officer, or any other party who provided services typically provided by a director or Named Executive Officer, pursuant to any employment, consulting or management agreement between the Company and any other party, and the Company has no agreement or arrangement with any director, Named Executive Officer or any other party with respect to any change of control of the Company or any severance, termination or constructive dismissal of any director, Named Executive Officer or any other party, or any incremental payments triggered by any such change of control, severance, termination or constructive dismissal.

Consulting Agreement with Seahawk Capital Corp. and Satvir Dhillon

The Company entered into a consulting agreement on May 31, 2020 with Satvir Dhillon and Seahawk Capital Corp., a company wholly controlled by Mr. Dhillon for services as CEO of the Company (the “**Seahawk Agreement**”). Pursuant to the Seahawk Agreement, the Company currently pays a fee of \$17,500 per month starting April 2022. The Seahawk Agreement also provides Mr. Dhillon to be eligible for a bonus based on the achievement and satisfaction of certain goals and objectives on such terms and conditions as established by the Board of Directors.

The Seahawk Agreement may be terminated: (i) by Seahawk, at any time, for any reason, without cause or entitlement to any further compensation, upon 30 days’ written notice to the Company; (ii) by either party, for cause, at any time without entitlement to any further compensation, in the event of a failure by the other party to comply with any of the provisions of the Seahawk Agreement, where such failure has been communicated to the other party and a reasonable opportunity to cure the failure has been provided, or, in the case of termination by the Company, the death or incapacity of Mr. Dhillon or conduct by Seahawk including but not limited to a persistent failure to follow the directions of the Board, or any act of gross negligence or wilful misconduct; (iii) by the Company, at any time, without cause or reason, by written notice to Seahawk.

If the Company terminates the Seahawk Agreement without cause or reason, the Company must pay Seahawk the fees due to Seahawk for three month following termination, or the remainder of the term of the Seahawk Agreement, whichever is less, within ten business days from the date of termination.

In the event that during the term of the Seahawk Agreement there was a successful take-over bid of the Company or a change of control in the Company resulting from a merger by way of an amalgamation or plan of arrangement or if any shareholder acquires in excess of 50% of the common shares of the Company, then Seahawk at any time within 120 days of such event will be entitled to terminate the Seahawk Agreement and to receive the aggregate cash compensation equivalent to two years payment of the cash compensation per the Seahawk Agreement.

In addition, any options held by Mr. Dhillon on the date of termination will be exercisable until the earlier of 90 days following such date and expiry of the option term.

Oversight and Description of Director and Named Executive Officer Compensation

The Company's compensation structure has two primary components, cash compensation and share-based compensation in the form of incentive stock options. Cash compensation has two components, base salary and bonuses.

The Company regards the strategic use of incentive stock options as a significant component of its compensation structure. In evaluating option grants issues, the Board evaluates a number of factors including, but not limited to: (i) the number of options already held by or issued to an individual; (ii) a fair balance between the number of options held by issued to an individual and those held by or issued to other directors or officers, in light of their responsibilities and objectives; and (iii) the value of the options (generally determined using a Black- Scholes analysis) as a component of the individual's overall compensation.

No significant events occurred during the most recently completed financial year that significantly affected compensation. While the Board considers amounts paid by other companies in similar industries at similar stages of development in determining compensation, no specifically selected peer group has been identified as a comparable. No significant changes were made to the Company's compensation policies since the commencement of the most recently completed financial year.

CORPORATE GOVERNANCE

General

"Corporate Governance" refers to the process and structure used to direct and manage the business and affairs of a Company. The objective is to enhance shareholder value, including ensuring the financial viability of the business. Corporate governance processes and structures define the division of power among the shareholders, the board of directors and management, and establish ways to ensure accountability. They also take into account how the direction and management of the business will affect other stakeholders such as employees, customers, suppliers and communities.

The Canadian Securities Administrators have adopted two National Instruments, 58-201 *Corporate Governance Guidelines* ("NI 58-201") and 58-101 *Disclosure of Corporate Governance Practices* ("NI 58- 101").

NI 58-201 sets forth a set of guidelines or "best practices" for reporting issuers to consider when evaluating their own corporate governance practices. Recognizing that not all of the guidelines set forth in NI 58-201 will be appropriate for all companies, full implementation of the guidelines is not mandated by either NI 58-201 or the TSX Venture Exchange. NI 58-101 mandates the disclosure of the corporate governance practices actually implemented by a reporting company, in certain prescribed disclosure documents.

As the business of the Company is straightforward, the Company is at an early stage of development and its Board is relatively small, the Company's Corporate Governance practices are at an early stage of evolution. The following describes the Company's approach to corporate governance, in compliance with NI 58-101.

Board of Directors

Pursuant to National Instrument 52-110 – *Audit Committees* ("NI 52-110"), a director is independent if the director has no direct or indirect relationship with the issuer which could, in the view of the issuer's board of directors, be

reasonably expected to interfere with the exercise of a member's independent judgment. Certain directors are deemed to have a material relationship with the Company by virtue of their position or relationship with the Company. As at the date hereof, the Board is comprised of four directors, Satvir Dhillon, Johan Grandin, Scott Davis and Tim Henneberry. All the directors of the company are not independent.

Directorships

The following table sets out details of directorships in other public issuers, held by each of the current directors standing for re-election:

Tim Henneberry	Golden Independence Mining Corp. Hilo Mining Ltd. J4 Ventures Inc. Silver Sands Resources Corp. Tana Resources Corp. Treviso Capital Corp

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company's properties and on director responsibilities.

Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business. In addition, management of the Company makes itself available to discussions with all Board members

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board does not have a Nominating Committee to identify new candidates for Board nomination. Potential candidates for appointment to the Board are considered by the Board as a whole, in reliance on the recommendations, qualifications and experience of its members. The Board recognizes that, in accordance with good corporate governance practices, it is desirable to appoint additional members who are independent, and gives weight to this consideration in its Board appointments.

Other Board Committees

The Board has no committees other than its Audit Committee.

The Audit Committee provides an open avenue of communication between management, the Company's independent auditors and the Board and to assist the Board in its oversight of:

- (a) the integrity, adequacy and timeliness of the Company's financial reporting and disclosure practices;
- (b) the Company's compliance with legal and regulatory requirements related to financial reporting; and
- (c) the independence and performance of the Company's independent auditors.

The Audit Committee also performs any other activities consistent with the Audit Committee Charter, the Company's Articles and governing laws as the Audit Committee or Board deems necessary or appropriate. See "*Audit Committee and Relationship with Auditor*".

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management, and the strategic direction and processes of the Board and the Audit Committee.

Compensation

The Board is not compensated for acting as directors, except for being granted incentive stock options pursuant to the policies of the TSX-V and the Company's stock option plan. The Board acts as a whole to determine and approve the final stock grants and compensation amounts.

Approval of New Stock Option Plan

On November 24, 2021, the Exchange adopted a new Policy 4.4 – Security Based Compensation of the Exchange's Corporate Finance Manual governing security-based compensation ("**New Policy 4.4**"). The changes to the policy generally relate to the expansion of the policy to cover a number of types of security-based compensation in addition to stock options. At the Meeting, Shareholders will be asked to approve the adoption of a New 10% rolling Stock Option Plan (the "**2022 Option Plan**"). The 2022 Option Plan was approved by the Board on November 03, 2022 which shall become effective upon the receipt of approval of the Shareholders and the final acceptance of the Exchange (the "**Effective Date**") and will replace the Stock Option Plan. All of the stock options outstanding under the Stock Option Plan (the "**Outstanding Options**"), currently being 3,581,000 stock options as at the date of this Information Circular, will remain outstanding and in full force and effect in accordance with their terms after the Effective Date. However, following the Effective Date, no additional grants shall be made pursuant to the Stock Option Plan, and the Stock Option Plan will terminate on the date upon which no Outstanding Options remain outstanding. The purpose of the 2022 Option Plan is to, among other things: (i) provide the Company with a mechanism to attract, retain and motivate qualified directors, officers, employees and consultants of the Company and its subsidiaries; (ii) reward directors, officers, employees and consultants that have been granted stock options (each, an "**Option**") under the 2022 Option Plan for their contributions toward the long-term goals and success of the Company; and (iii) enable and encourage such directors, officers, employees and consultants to acquire Shares of the Company as long-term investments and proprietary interests in the Company. The approval of the 2022 Option Plan by the Board is subject to approval by the Shareholders and to the final acceptance of the Exchange.

A summary of certain provisions of the 2022 Option Plan is set out below, and a full copy of the 2022 Option Plan is attached hereto as Schedule "B". This summary is qualified in its entirety to the full copy of the 2022 Option Plan.

Summary of the 2022 Option Plan

Eligibility

The 2022 Option Plan allows the Company to grant Options to attract, retain and motivate qualified directors, officers, employees and consultants of the Company and its subsidiaries (collectively, the "**Option Plan Participants**").

Number of Shares Issuable

The aggregate number of Common Shares that may be issued to Option Plan Participants under the 2022 Option Plan will be that number of Shares equal to 10% of the issued and outstanding Shares on the particular date of grant of the Option, inclusive of the Outstanding Options.

Limits on Participation

The 2022 Option Plan provides for the following limits on grants, for so long as the Company is subject to the requirements of the Exchange, unless disinterested Shareholder approval is obtained or unless permitted otherwise

pursuant to the policies of the Exchange:

- (i) the maximum number of Shares that may be issued to any one Option Plan Participant (and where permitted pursuant to the policies of the Exchange, any company that is wholly-owned by the Option Plan Participant) under the 2022 Option Plan, together with any other security based compensation arrangements, within a 12- month period, may not exceed 5% of the issued Shares calculated on the date of grant;
- (ii) the maximum number of Shares that may be issued to insiders collectively under the 2022 Option Plan, together with any other security based compensation arrangements, within a 12- month period, may not exceed 10% of the issued Shares calculated on the date of grant; and
- (iii) the maximum number of Shares that may be issued to insiders collectively under the 2022 Option Plan, together with any other security based compensation arrangements, may not exceed 10% of the issued Shares at any time.

For so long as such limitation is required by the Exchange, the maximum number of Options which may be granted within any 12- month period to Option Plan Participants who perform investor relations activities must not exceed 2% of the issued and outstanding Shares, and such Options must vest in stages over 12 months with no more than 25% vesting in any three- month period. In addition, the maximum number of Shares that may be granted to any one consultant under the 2022 Option Plan, together with any other security-based compensation arrangements, within a 12-month period, may not exceed 2% of the issued Shares calculated on the date of grant.

Administration

The plan administrator of the 2022 Option Plan (the “**Option Plan Administrator**”) will be the Board or a committee of the Board, if delegated. The Option Plan Administrator will, among other things, determine which directors, officers, employees or consultants are eligible to receive Options under the 2022 Option Plan; determine conditions under which Options may be granted, vested or exercised, including the expiry date, exercise price and vesting schedule of the Options; establish the form of option certificate (“**Option Certificate**”); interpret the 2022 Option Plan; and make all other determinations and take all other actions necessary or advisable for the implementation and administration of the 2022 Option Plan.

Subject to any required regulatory or shareholder approvals, the Option Plan Administrator may also, from time to time, without notice to or without approval of the Shareholders or the Option Plan Participants, amend, modify, change, suspend or terminate the Options granted pursuant thereto as it, in its discretion, determines appropriate, provided that no such amendment, modification, change, suspension or termination of the 2022 Option Plan or any Option granted pursuant thereto may materially impair any rights of an Option Plan Participant or materially increase any obligations of an Option Plan Participant under the 2022 Option Plan without the consent of such Option Plan Participant, unless the Option Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or stock exchange requirements or as otherwise permitted pursuant to the 2022 Option Plan.

All of the Options are subject to the conditions, limitations, restrictions, vesting, exercise and forfeiture provisions determined by the Option Plan Administrator, in its sole discretion, subject to such limitations provided in the 2022 Option Plan, and will be evidenced by an Option Certificate. In addition, subject to the limitations provided in the 2022 Option Plan and in accordance with applicable law, the Option Plan Administrator may accelerate the vesting of Options, cancel or modify outstanding Options and waive any condition imposed with respect to Options or Shares issued pursuant to Options.

Exercise of Options

Options shall be exercisable as determined by the Option Plan Administrator at the time of grant, provided that no Option shall have a term exceeding 10 years so long as the Shares are listed on the Exchange.

Subject to all applicable regulatory rules, the vesting schedule for an Option, if any, shall be determined by the

Option Plan Administrator. The Option Plan Administrator may elect, at any time, to accelerate the vesting schedule of an Option, and such acceleration will not be considered an amendment to such Option and will not require the consent of the Option Plan Participant in question. However, no acceleration to the vesting schedule of an Option granted to an Option Plan Participant performing investor relations services may be made without prior acceptance of the Exchange.

The exercise price of an Option shall be determined by the Option Plan Administrator and cannot be lower than the greater of: (i) the minimum price required by the Exchange; and (ii) the market value of the Shares on the applicable grant date.

An Option Plan Participant may exercise the Options in whole or in part through any one of the following forms of consideration, subject to applicable laws, prior to the expiry date of such Options, as determined by the Option Plan Administrator:

- the Option Plan Participant may send a wire transfer, certified cheque or bank draft payable to the Company in an amount equal to the aggregate exercise price of the Shares being purchased pursuant to the exercise of the Options;
- subject to approval from the Option Plan Administrator and the Shares being traded on the Exchange, a brokerage firm may be engaged to loan money to the Option Plan Participant in order for the Option Plan Participant to exercise the Options to acquire the Shares, subsequent to which the brokerage firm shall sell a sufficient number of Shares to cover the exercise price of such Options to satisfy the loan. The brokerage firm shall receive an equivalent number of Shares from the exercise of the Options, and the Option Plan Participant shall receive the balance of the Shares or cash proceeds from the balance of such Shares; and
- subject to approval from the Option Plan Administrator and the Shares being traded on the Exchange, consideration may be paid by reducing the number of Shares otherwise issuable under the Options, in lieu of a cash payment to the Company, an Option Plan Participant, excluding those providing investor relations services, only receives the number of Shares that is equal to the quotient obtained by dividing: (i) the product of the number of Options being exercised multiplied by the difference between the volume-weighted average trading price of the Shares and the exercise price of the Options, by (ii) the volume-weighted average trading price of the Shares. The number of Shares delivered to the Option Plan Participant may be further reduced to satisfy applicable tax withholding obligations. The number of Options exercised, surrendered or converted, and not the number of Shares issued by the Issuer, must be included in calculating the number of Shares issuable under the 2022 Option Plan and the limits on participation.

If an exercise date for an Option occurs during a trading black-out period imposed by the Company to restrict trades in its securities, then, notwithstanding any other provision of the 2022 Option Plan, the Option shall be exercised no more than ten business days after the trading black-out period is lifted by the Company, subject to certain exceptions.

Termination of Employment or Services and Changes in Control

The following describes the impact of certain events that may, unless otherwise determined by the Option Plan Administrator or as set forth in an Option Certificate, lead to the early expiry of Options granted under the 2022 Option Plan.

Termination by the Company for cause:

Forfeiture of all unvested Options. The Option Plan Administrator may determine that all vested Options shall be forfeited, failing which all vested Options shall be exercised in accordance with the 2022 Option Plan.

Voluntary resignation of an Option Plan Participant:	Forfeiture of all unvested Options. Exercise of vested Options in accordance with the 2022 Option Plan.
Termination by the Company other than for cause:	Acceleration of vesting of a portion of unvested Options in accordance with a prescribed formula as set out in the 2022 Option Plan. ¹ Forfeiture of the remaining unvested Options. Exercise of vested Options in accordance with the 2022 Option Plan.
Death or disability of an Option Plan Participant:	Acceleration of vesting of all unvested Options. ¹ Exercise of vested Options in accordance with the 2022 Option Plan.
Termination or voluntary resignation for good reason within 12 months of a change in control:	Acceleration of vesting of all unvested Options. ¹ Exercise of vested Options in accordance with the 2022 Option Plan.

Note: (1) Any acceleration of vesting of unvested Options granted to an investor relations service provider is subject to the prior written approval of the Exchange

Any Options granted to an Option Plan Participant under the 2022 Option Plan shall terminate at a date no later than 12 months from the date such Option Plan Participant ceases to be an Option Plan Participant.

In the event of a triggering event, which includes a change in control, dissolution or winding-up of the Company, a material alteration of the capital structure of the Company and a disposition of substantially all of the Company's assets, the Option Plan Administrator may, without the consent of the Option Plan Participant, cause all or a portion of the Options granted to terminate upon the occurrence of such event.

Amendment or Termination of the 2022 Option Plan

Subject to any necessary regulatory approvals, the 2022 Option Plan may be suspended or terminated at any time by the Option Plan Administrator, provided that no such suspension or termination shall alter or impact any rights or obligations under an Option previously granted without the consent of the Option Plan Participant.

The following limitations apply to the 2022 Option Plan and all options thereunder as long as such limitations are required by the Exchange:

- any adjustment to Options, other than in connection with a security consolidation or security split, is subject to prior Exchange acceptance and the issuance of a news release by the Company outlining the terms thereof; any amendment to the 2022 Option Plan is subject to prior Exchange acceptance, except for amendments to reduce the number of Shares issuable under the 2022 Option Plan, to increase the exercise price of Options or to cancel Options;
- any amendments made to the 2022 Option Plan shall require regulatory and Shareholder approval and the issuance of a news release by the Company outlining the terms thereof, except for amendments to: (i) fix typographical errors; and (ii) clarify existing provisions of the 2022 Option Plan and which do not have the effect of altering the scope, nature and intent of such provisions; and
- the exercise price of an Option previously granted to an insider must not be reduced, or the extension of the expiry date of an Option held by an insider may not be extended, unless the Company has obtained disinterested shareholder approval to do so in accordance with Exchange policies.

Subject to the foregoing limitations and any necessary regulatory approvals, the Option Plan Administrator may amend any existing Options or the 2022 Option Plan or the terms and conditions of any Option granted thereafter,

although the Option Plan Administrator must obtain written consent of the Option Plan Participant (unless otherwise excepted out by a provision of the 2022 Option Plan) where such amendment would materially decrease the rights or benefits accruing to an Option Plan Participant or materially increase the obligations of an Option Plan Participant.

Company 2022 Option Plan Resolution

At the Meeting, the Shareholders of the Company will be asked to consider and approve an ordinary resolution, in substantially the following form, in order to approve the 2022 Option Plan, which resolution requires approval of greater than 50% of the votes cast by the Shareholders who, being entitled to do so, vote, in person or by proxy, on the ordinary resolution at the Meeting:

“BE RESOLVED, AS AN ORDINARY RESOLUTION, THAT”:

- (a) subject to final acceptance of the TSX Venture Exchange (the “TSXV”), the Company’s new stock option plan, substantially in the form attached as Schedule “B” to the management information circular of iMetals Resources Inc. (the “Company”) dated November 07, 2022, is hereby approved;
- (b) the directors of the Company or any committee of the board of directors of the Company are hereby authorized to grant stock options (each, an “Option”) pursuant to the 2022 Option Plan to those eligible to receive Options thereunder;
- (c) any one director or officer of the Company is hereby authorized to execute and deliver on behalf of the Company all such documents and instruments and to do all such other acts and things as in such director’s opinion may be necessary to give effect to the matters contemplated by these resolutions; and
- (d) notwithstanding that this resolution be passed by the shareholders of the Company, the adoption of the proposed 2022 Option Plan is conditional upon receipt of final approval of the TSXV, and the directors of the Company are hereby authorized and empowered to revoke this resolution, without any further approval of the shareholders of the Company, at any time if such revocation is considered necessary or desirable to the directors.”

Recommendation of the Board

The Board has determined that the 2022 Option Plan is in the best interest of the Company and the Shareholders and unanimously recommends that the Shareholders vote in favour of approving the 2022 Option Plan. **In the absence of any contrary directions, it is the intention of management to vote proxies in the accompanying form FOR the foregoing resolution.**

The Board reserves the right to amend any terms of the 2022 Option Plan or not to proceed with the 2022 Option Plan at any time prior to the Meeting if the Board determines that it would be in the best interests of the Company and the Shareholders and to do so in light of any subsequent event or development occurring after the date of the Information Circular.

Approval for Adoption of Restricted Share Unit and Deferred Share Unit Plan (the “RSU/DSU Plan”)

The Company is proposing to approve a restricted share unit and deferred share unit compensation plan (the “**RSU/DSU Plan**”) of the Company. A copy of the RSU/DSU Plan is available on request from the Company and will be available for viewing at the Meeting.

On November 03, 2022, the Board approved the adoption of a fixed number restricted share unit and deferred share unit plan. The implementation of the RSU/DSU Plan is intended to provide a vehicle by which equity-based incentives may be awarded to the Directors, Employees, Consultants and other persons or companies engaged to provide ongoing services to the Company and its Affiliates, other than persons involved in Investor Relations Activities relating to the Company (as such terms are defined in the RSU/DSU Plan) (collectively, the “**Eligible Persons**”), to recognize and reward their significant contributions to the long-term success of the Company and to

align their interests more closely with Shareholders, as well as to bring the Company's compensation policies in line with trends in industry practice, and to preserve working capital of the Company by paying Eligible Persons with compensation in the form of share-based awards as opposed to cash. Pursuant to the RSU/DSU Plan, the Board (or a committee thereof) may grant restricted share unit awards ("RSUs") and deferred share unit awards ("DSUs" and collectively with the RSUs, "Awards") as incentive payments to eligible persons. The Board intends to use the Awards as part of the Company's overall executive compensation plan.

The maximum number of Awards that may be reserved for issuance under the RSU/DSU Plan at any time shall not exceed 3,737,939 shares (which represents 10% of the number of issued and outstanding Common Shares as at November 03, 2022, being the date of adoption of the RSU/DSU Plan by the Board).

A summary of certain provisions of the RSU/DSU Plan is set out below, and a full copy of the RSU/DSU Plan is attached hereto as Schedule "C". This summary is qualified in its entirety to the full copy of the RSU/DSU Plan.

RSU/DSU Plan

The implementation of the RSU/DSU Plan is intended to provide a vehicle by which equity-based incentives may be awarded to the Eligible Persons to recognize and reward their significant contributions to the long-term success of the Company and to align their interests more closely with the Shareholders, as well as to bring the Company's compensation policies in line with trends in industry practice, and to preserve working capital of the Company by paying Eligible Persons with compensation in the form of share-based awards as opposed to cash. Eligible Persons who are granted RSUs or DSUs under the RSU/DSU Plan are collectively referred to herein as "Participants" or "Grantees". Under the RSU/DSU Plan, settlement of RSUs or DSUs shall be made by payment of (i) delivery of one Common Share for each such RSU or DSU then being settled; or (ii) subject to approval of the Board in its sole discretion, a cash equivalent.

RSUs are performance-based share units which will be granted to Eligible Persons under the RSU/DSU Plan based on both individual and corporate performance criteria as determined by the Board or the Granting Authority (as such term is defined in the RSU/DSU Plan). The RSUs vest and are paid out to the Participant at no later than three years after the year in which the RSUs were granted. Non-vested RSUs are forfeited if the Participant voluntarily leaves his or her employment with the Company. RSUs provide the Company with a more transparent and objective tool for rewarding performance or compensating Participants, while providing the Participant with a better defined incentive award.

The RSU/DSU Plan also makes provision for the use of DSUs as partial payment of an Eligible Person's fees. A DSU is a notional share that has the same value as one Common Share as at the grant date. DSUs are paid out to the Participant as Common Shares when they retire from or no longer provide service to the Company. A retiring Participant can defer the payout of his or her DSUs to the year following his or her departure from the Company. The use of DSUs has the advantage of encouraging higher levels of share ownership by the Participants, thereby aligning their interests more closely with that of the Company while also preserving cash for the Company.

The following is a summary of the additional important provisions of the RSU/DSU Plan. It is not a comprehensive discussion of all of the terms and conditions of the RSU/DSU Plan. Readers are advised to review the full text of the RSU/DSU Plan to fully understand all terms and conditions of the RSU/DSU Plan.

Purpose

The RSU/DSU Plan is intended to bring the Company's compensation policies in line with trends in industry compensation practice. The RSU/DSU Plan includes provisions for granting RSUs as well as DSUs. Under the RSU/DSU Plan, settlement of RSUs or DSUs shall be made by payment of (i) delivery of one Common Share for each such RSU or DSU then being settled; or (ii) subject to approval of the Board in its sole discretion, a cash equivalent.

The RSU/DSU Plan will advance the interests of the Company by encouraging Participants to receive equity-based compensation and incentives, thereby (i) increasing the proprietary interests of such persons in the Company, (ii) aligning the interests of such persons with the interests of Shareholders generally, (iii) encouraging such persons to

remain associated with the Company, and (iv) furnishing such persons with an additional incentive in their efforts on behalf of the Company. The Board also contemplates that through the RSU/DSU Plan, the Company will be better able to compete for and retain the services of the individuals needed for the continued growth and success of the Company.

Administration

Under the RSU/DSU Plan, the Board may, at any time, appoint a committee to, among other things, interpret, administer and implement the RSU/DSU Plan on behalf of the Board in accordance with such terms and conditions as the Board may prescribe, consistent with the RSU/DSU Plan.

Eligible Persons

Under the RSU/DSU Plan, Awards may be granted to any Eligible Person, other than an Investor Relations Service Provider. A Participant or Grantee is an Eligible Person to whom an Award has been granted under the RSU/DSU Plan. Pursuant to the terms of the RSU/DSU Plan and the policies of the Exchange, no Awards may be granted to Investor Relations Service Providers.

Number of Securities Issued or Issuable

Subject to the adjustment provisions provided for in the RSU/DSU Plan and applicable rules and regulations of all regulatory authorities to which the Company is subject (including the TSXV), the maximum number of Common Shares issuable upon exercise of the Awards under the RSU/DSU Plan is 3,737,939, (which represents 10% of the number of issued and outstanding Common Shares as at November 03, 2022, being the date of adoption of the RSU/DSU Plan by the Board).

If any Award is cancelled in accordance with the terms of the RSU/DSU Plan or the agreements evidencing the grant, the Common Shares reserved for issue pursuant to such Award will, upon cancellation of such Awards, revert to the RSU/DSU Plan and will be available for other Awards. Any Award that is settled through the issuance of Common Shares from treasury shall not be considered cancelled, and that number of Common Shares issued shall not be available for other Awards.

Maximum Grant to Any One Participant

The issue of Awards to Eligible Persons is subject to, among other things, the following restrictions:

- (a) the number of Common Shares which may be reserved for issue pursuant to the RSU/DSU Plan together with the Common Shares which may be reserved for issue pursuant to any Security Based Compensation Plan of the Company or options for services granted by the Company, including the Option Plan, to any one Eligible Person within a 12 month period may not exceed in the aggregate 5% of the number of Common Shares issued and outstanding on a non-diluted basis on the date of the grant of the Award unless the Company has received disinterested shareholder approval;
- (b) the number of Common Shares which may be reserved for issue pursuant to the RSU/DSU Plan together with the Common Shares which may be reserved for issue pursuant to any other Security Based Compensation Plan of the Company or options for services granted by the Company, including the Share Option Plan, to all insiders of the Company shall not exceed 10% of the number of Common Shares issued and outstanding on a non-diluted basis at any point in time unless the Company has received disinterested shareholder approval;
- (c) the number of Common Shares which may be reserved for issue pursuant to the RSU/DSU Plan together with the Common Shares which may be reserved for issue pursuant to any Security Based Compensation Plan of the Company or options for services granted by the Company, including the Option Plan, to all insiders of the Company within a 12 month period may not exceed in the aggregate 10% of the number of Common Shares issued and outstanding on a non-diluted basis on the date of the grant of the Award unless the Company has received disinterested shareholder approval; and

- (d) the number of Common Shares which may be reserved for issued pursuant to the RSU/DSU Plan together with the Common Shares which may be reserved for issue pursuant to any other Security Based Compensation Plan of the Company, including the Option Plan, to any one consultant in any 12 month period may not exceed 2% of the number of Common Shares issued and outstanding on a non-diluted basis on the date of the grant of the Award.

Restricted Share Units

The Granting Authority may determine the vesting schedule of any RSUs at the time of grant, provided that notwithstanding such determination and provided that no RSUs may vest within one year of the date of grant except in the event of the death of the Participant or if the Participant ceases to be an Eligible Person in connection with a Change of Control (as such term is defined in the RSU/DSU Plan), takeover bid, reverse takeover or similar transaction, in the event of a Change of Control (as such term is defined in the RSU/DSU Plan) while the Grantee is employed by the Company or a wholly owned subsidiary of the Company, the termination of the Grantee by the Company without cause or in the event that the Grantee terminates employment with the Company and its subsidiaries by reason of Eligible Retirement (as such term is defined in the RSU/DSU Plan), death or total disability (as determined by the Granting Authority in good faith) (each an “**Accelerated Vesting Event**”), the non-vested RSUs will: (i) in the case of a Change of Control, termination without cause, Eligible Retirement or death being the Accelerated Vesting Event, immediately become 100% vested, or (ii) in the case of total disability being the Accelerated Vesting Event, vest on the 60th day following the date on which the Participant is determined to be totally disabled.

If the Grantee terminates employment with the Company and its subsidiaries for any reason other than such Eligible Retirement, total disability or death or termination without cause, any non-vested RSUs granted thereunder will be immediately cancelled without liability or compensation therefor and be of no further force and effect. For clarity, where the Grantee voluntarily terminates his/her employment with the Company or is otherwise terminated by the Company for cause, all non-vested RSUs of the Grantee shall be immediately cancelled without compensation or liability therefor and be of no further force and effect.

The term of the RSUs shall be determined by the Granting Authority on the date of the award of RSUs and shall not exceed ten years from the date the RSUs are awarded. Each RSU outstanding and all rights thereunder shall expire at the expiry time determined by the Granting Authority, subject to earlier termination in accordance with the RSU/DSU Plan.

Settlement of Restricted Share Units

Payment to the Grantee in respect of vested RSUs will be made in the form of (i) fully paid Common Shares, which will be evidenced by book entry registration or by a share certificate registered in the name of the Grantee; or (ii) subject to approval of the Board, in its sole discretion, a cash equivalent, as soon as practicable following the date on which the RSUs become vested, provided that the settlement date may not be later than the third anniversary of the date of grant of the RSU and all payments in respect of vested RSUs in the Grantee's notional account maintained by the Company will be paid in full on or before December 31 of the same calendar year.

Deferred Share Units

DSUs granted pursuant to the RSU/DSU Plan will be used as a means of reducing the cash payable by the Company in respect of a Participant's compensable amounts. In so doing, the interests of a Participant will become more closely aligned with those of the Company and its Shareholders.

Vesting of Deferred Share Units

Subject to the vesting provisions otherwise stipulated by the Granting Authority, where a Grantee is terminated for cause or resigns and, in the case of a director of the Company, is otherwise removed as a result of losing his or her eligibility to serve on the Board due to an order by a regulatory body or stock exchange or for culpable conduct as determined by the Granting Authority, all unvested DSUs in the Grantee's notional account maintained by the Company will be immediately cancelled without liability or compensation therefor and be of no further force and

effect (unless otherwise determined by the Granting Authority).

No DSUs may vest within one year of the date of grant except in the event of the death of the Participant or if the Participant ceases to be an Eligible Person in connection with a Change of Control (as such term is defined in the RSU/DSU Plan), takeover bid, reverse takeover or similar transaction. Subject to the above, in the event of a Change of Control while the Grantee is employed by or is a director of the Company or a related entity or in the event of the Grantee being terminated without cause, the non-vested DSUs will immediately become 100% vested.

Settlement of Deferred Share Units

DSUs will be settled upon the third business day (or such other period of time as permitted by the Granting Authority under the grant agreement) following the Eligible Retirement or death of the applicable Participant or at the time the Participant otherwise ceases to hold office subject to payment or other satisfaction of all related withholding obligations in accordance with the provisions of the RSU/DSU Plan. Settlement of DSUs shall be made by payment of (i) one Common Share for each such DSU then being settled; or (ii) subject to the approval of the Board, in its sole discretion, a cash equivalent.

Assignability

Awards granted under the RSU/DSU Plan are non-transferable and non-assignable to anyone other than to the estate of a Participant in the event of death and then only in accordance with the terms of the RSU/DSU Plan.

Procedure for Amending of the RSU/DSU Plan

Subject to the terms of the RSU/DSU Plan and any applicable requirements of the Exchange, the Granting Authority has the right at any time to amend the RSU/DSU Plan or any Award agreement thereunder, provided that the requisite shareholder approval has been obtained by ordinary resolution. Notwithstanding the foregoing, shareholder approval is not required for the amendments set out below:

- (a) amendments of a technical, clerical or “housekeeping” nature including, without limiting the generality of the foregoing, any amendments for the purpose of curing any ambiguity, error or omission in the RSU/DSU Plan or to correct or supplement any provision of the RSU/DSU Plan that is inconsistent with any other provision of the RSU/DSU Plan;
- (b) amendments necessary to comply with the provisions of applicable law and the applicable rules of the Exchange; and
- (c) any other amendment, whether fundamental or otherwise, not requiring shareholder approval under applicable law or the rules of the Exchange.

Financial Assistance

The Company does not provide financial assistance to Participants to facilitate the purchase of Common Shares upon exercise of Awards under the RSU/DSU Plan.

Other Material Information

Appropriate adjustments to the RSU/DSU Plan and to Awards granted thereunder will be made by the Company to give effect to adjustments in the number and type of Common Shares (or other securities or other property) resulting from subdivisions, consolidations, substitutions, or reclassifications of Common Shares, payment of stock dividends or other prescribed changes in the capital of the Company. In the event of any merger, acquisition, amalgamation, arrangement or other scheme of reorganization that results in a Change of Control, the Company may take whatever action with respect to the Awards outstanding that it deems necessary or desirable including accelerating the vesting date of Awards to the date which is immediately preceding the Change of Control. Any such adjustment other than a Common Share consolidation or Common Share split shall be subject to approval of the Exchange. If approved by the Board prior to or within 30 days after such time as a Change of Control is deemed to have occurred, the Board has the right to require that all or any portion of the Awards be settled and discharged in cash based on the

“cash value” of such Awards in lieu of settlement by issue of Common Shares.

Pursuant to the policies of the Exchange, the Company is required to obtain Shareholder approval of the RSU/DSU Plan in connection with the implementation thereof and subsequently at each annual meeting of Shareholders. Accordingly, at the Meeting, Shareholders will be asked to approve an ordinary resolution to approve the RSU/DSU Plan:

“BE IT HEREBY RESOLVED as an ordinary resolution of the Company that:

- (a) the restricted share unit and deferred share unit plan of the Company (the **“RSU/DSU Plan”**), substantially in the form as described in the Management Information Circular of the Company, be and is hereby ratified, approved and adopted as the restricted share unit and deferred share unit plan of iMetal Resources Inc. - (c) the form of the RSU/DSU Plan may be amended in order to satisfy the requirements or requests of any regulatory authorities without requiring further approval of the shareholders of the Company;
- (d) the shareholders of the Company hereby expressly authorize the Board of Directors to revoke this resolution before it is acted upon without requiring further approval of the shareholders in that regard; and
- (e) any one director or officer of the Company is authorized and directed, on behalf of the Company, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things (whether under corporate seal of the Company or otherwise) that may be necessary or desirable to give effect to this ordinary resolution.”

Unless otherwise directed, it is the intention of the management designees, if named as proxy, to vote in favour of the ordinary resolution approving the RSU/DSU Plan. In order to be effective, an ordinary resolution requires approval of a majority of the votes cast by Shareholders who vote in respect to the resolution.

OTHER MATTERS

As of the date of this Circular, management knows of no other matters to be acted upon at the Meeting. Should any other matters properly come before the Meeting, the Common Shares represented by the proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the shares represented by the proxy.

- (a) determine the Persons who are eligible to be Participants in accordance with Section 3.4;

- (i) allowing non-Vested Options to be treated as Vested upon termination of employment or service of a Participant, as to any or all of termination, death or Disability;
 - (ii) providing that the Options with respect to certain classes, types or groups of Participants will have different acceleration, forfeiture, termination, continuation or other terms than other classes, types or groups of Participants;
 - (iii) providing for the continuation of any Option for such period which is not longer than 12 months from the Termination Date or 12 months from the date of death or Disability of the Participant, and upon such terms and conditions as are determined by the Plan Administrator in the event that a Participant ceases to be an Executive, Employee or Consultant, as the case may be;

 - (j) determine the duration and purposes of leaves of absence from employment or engagement by the Corporation which may be granted to Participants without constituting a termination of employment or engagement for purposes of the Plan;

 - (l) prescribe, amend, and rescind rules and regulations relating to the administration of the Plan; and

3.2 **Delegation to Committee**

- (a) The initial Plan Administrator shall be the Board.
- (b) To the extent permitted by Applicable Law, the Board may, from time to time, delegate to a committee of the Corporation (the “**Committee**”), consisting of not less than two of its members, all or any of the powers conferred on the Plan Administrator pursuant to the Plan, including the power to sub-delegate to any specified Directors or Officers all or any of the powers delegated by the Board. From time to time, the Board may increase the size of the Committee and appoint additional members, remove members (with or without cause) and

appoint new members in their place, fill vacancies however caused, or remove all members of the Committee and thereafter directly administer the Plan.

- (c) In the event the Board delegates to the Committee all or any of the powers conferred on the Plan Administrator pursuant to the Plan, the Committee or any sub-delegate will exercise the powers delegated to it in the manner and on the terms authorized by the delegating party. Any decision made or action taken by the Committee or any sub-delegate arising out of or in connection with the administration or interpretation of the Plan in this context is final and conclusive and binding on the Corporation and all affiliates of the Corporation, all Participants and all other Persons.

3.3 Determinations Binding

Any decision made or action taken by the Board, the Committee or any sub-delegate to whom authority has been delegated pursuant to Section 3.2 arising out of or in connection with the administration interpretation of the Plan is final, conclusive and binding on all affected Persons, including the Corporation and any of its Subsidiaries, the affected Participants and their Personal Representatives, any shareholder of the Corporation and all other Persons.

3.4 Eligibility

Subject to the discretion of the Plan Administrator, all Executives, Employees and Consultants are eligible to participate in the Plan. Participation in the Plan is voluntary and eligibility to participate does not confer upon any Executive, Employee or Consultant any right to receive any grant of an Option pursuant to the Plan. In addition, in order to be eligible to receive Options, in the case of Employees and Consultants, the Option Certificate to which they are a party must contain a representation of the Corporation and of such Employee or Consultant, as the case may be, that such Employee or Consultant is a bona fide Employee or Consultant of the Corporation or a Subsidiary of the Corporation, as the case may be. Options may be granted to a Company that is wholly-owned by an individual Executive, Employee or Consultant.

For clarity, Investor Relations Service Providers may not be granted any other Security Based Compensation Arrangements except for Options under the Plan.

3.5 Board Requirements

Any Option granted under the Plan shall be subject to the requirement that, if at any time the Corporation shall determine that the listing, registration or qualification of the Shares issuable pursuant to such Option upon any securities exchange or under any Applicable Laws of any jurisdiction, or the consent or approval of the Exchange and any securities commissions or similar securities regulatory bodies having jurisdiction over the Corporation is necessary as a condition of, or in connection with, the grant or exercise of such Option or the issuance or purchase of Shares thereunder, such Option may not be accepted or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Board. Nothing herein shall be deemed to require the Corporation to apply for or to obtain such listing, registration, qualification, consent or approval. Participants shall, to the extent applicable, cooperate with the Corporation in complying with such legislation, rules, regulations and policies.

3.6 Liability Limitation and Indemnification

No member of the Board or the Committee shall be liable for any action or determination taken or made in good faith in the administration, interpretation, construction or application of the Plan or any Option Certificate or any Option granted hereunder.

3.7 Total Shares Subject to Options

Subject to adjustment pursuant to Article 7, the number of Shares hereby reserved for issuance to Participants under the Plan shall not exceed 10% of the number of Shares which are issued and outstanding on the particular date of grant of Options. There are **3,581,000** Options (the “**Outstanding Options**”) outstanding on the date hereof which were granted under the Prior Plan, which will remain in full force and effect in accordance with their terms. The number of Shares issuable upon exercise of the Outstanding Options shall be included in the calculation of the maximum number of Shares issuable pursuant to Options. Any Shares subject to an Option which has been granted under the Plan and which has been cancelled, terminated, surrendered, forfeited or expired without having been exercised as provided for in the Plan shall again be available under the Plan.

3.8 Limits on Options

Notwithstanding anything in the Plan, if the Corporation is listed on the TSXV, the following limitations shall apply to the Plan and all Options thereunder so long as such limitations are required by the TSXV:

- (a) unless disinterested Shareholder Approval is obtained in accordance with the policies of the TSXV (or unless permitted otherwise by the policies of the TSXV):
 - (i) the maximum number of Shares that may be issued to any one Participant (and where permitted pursuant to the policies of the TSXV, any Company that is wholly-owned by the Participant) under the Plan, together with all of the Corporation’s other Security Based Compensation Arrangements, within a 12-month period, may not exceed 5% of the issued Shares calculated on the Date of Grant;
 - (ii) the maximum number of Shares that are issuable pursuant to all the Corporation’s Security Based Compensation Arrangements granted or issued in any 12-month period to Insiders (as a group) must not exceed 10% of the issued Shares, calculated as at the date any security based compensation of the Corporation is granted or issued to any Insider; and
 - (iii) the maximum number of Shares that are issuable pursuant to all the Corporation’s Security Based Compensation Arrangements granted or issued to Insiders (as a group) must not exceed 10% of the issued Shares at any point in time;
- (b) the maximum number of Shares that may be issued to any one Consultant under the Plan, together with all of the Corporation’s other Security Based Compensation Arrangements, within a 12-month period, may not exceed 2% of the issued Shares calculated on the Date of Grant;
- (c) the maximum number of Shares issuable pursuant to Options which may be granted within any 12-month period to Investor Relations Service Providers (as a group) must not exceed 2% of the issued Shares calculated on the Date of Grant;
- (d) Options granted to Investor Relations Service Providers must vest in stages over 12 months with no more than 25% of the Options vesting in any three-month period; and
- (e) any Options granted to a Participant who ceases to be a Participant under the Plan for any reason whatsoever shall terminate at a date no later than 12 months from the date such Participant ceases to be a Participant under the Plan.

3.9 Option Certificates

Each Option under the Plan will be evidenced by an Option Certificate. Each Option Certificate will be subject to the applicable provisions of the Plan and will contain such provisions as are required by the Plan and any other provisions that the Plan Administrator may direct.

3.10 Non-transferability of Options

Except to the extent that certain rights may pass to a beneficiary or Personal Representative upon death of a Participant by will or as required by law, no Option is assignable or transferable.

3.11 Resale Restrictions

Any Shares issued by the Corporation upon exercise or settlement of an Option are subject to any resale and trading restrictions in effect pursuant to Applicable Laws and the policies of the Exchange, and the Corporation shall be entitled to place any restriction or legend on any certificates representing such Shares accordingly. Any Option Certificate will bear the following legend, if required pursuant to the policies of the TSXV:

“Without prior written approval of the TSX Venture Exchange and compliance with all applicable securities legislation, the securities represented by this certificate, and any securities issued upon exercise hereof, may not be sold, transferred, hypothecated or otherwise traded on or through the facilities of the TSX Venture Exchange or otherwise in Canada or to or for the benefit of a Canadian resident until **[Insert the date that is four months and one day after the date of the grant of the Option will be inserted].**”

Any certificate representing Shares issued pursuant to an exercise of an Option before the date that is four months and one day after the date of grant of an Option will bear the following legend, if required pursuant to the policies of the TSXV:

“Without prior written approval of the TSX Venture Exchange and compliance with all applicable securities legislation, the securities represented by this certificate may not be sold, transferred, hypothecated or otherwise traded on or through the facilities of the TSX Venture Exchange or otherwise in Canada or to or for the benefit of a Canadian resident until **[Insert the date that is four months and one day after the date of the grant of the Option will be inserted].**”

ARTICLE 4 OPTIONS

4.1 Granting of Options

The Plan Administrator may, from time to time, subject to Corporate Policies, the provisions of the Plan and such other terms and conditions as the Plan Administrator may determine, grant Options to any Participant, and in doing so, may, without limitation, in its discretion, (a) designate the Participants who may receive Options under the Plan, (b) fix the number of Options to be granted to each Participant and the date or dates on which such Options shall be granted, and (c) determine the relevant conditions and vesting schedules in respect of any Options.

4.2 Options Account

All Options received by a Participant shall be credited to an account maintained for the Participant on the books of the Corporation as of the Date of Grant. The terms and conditions of each Option grant shall be evidenced by an Option Certificate.

4.3 Exercise Period of Options

Subject to Sections 4.10, 5.1, and 7.4 and Article 6, the Date of Grant and the Expiry Date of an Option shall be the dates fixed by the Plan Administrator at the time the Option is granted and shall be set out in the Option Certificate issued in respect of such Option, provided that the duration of such Option will not exceed the maximum term permitted by each organized trading facility on which the Shares are listed, being 10 years for the TSXV from the Date of Grant of such Option (subject to extension where the Expiry Date is within a Black-Out period pursuant to Section 5.1).

4.4 Number of Shares under an Option

The number of Shares which may be purchased pursuant to an Option shall be determined by the Plan Administrator and shall be set out in the Option Certificate issued in respect of the Option.

4.5 Exercise Price of an Option

The Exercise Price at which a Participant may purchase a Share upon the exercise of an Option shall be determined by the Plan Administrator and shall be set out in the Option Certificate issued in respect of the Option. The Exercise Price shall not be less than the Market Price of the Shares as of the Date of Grant. The Market Price of the Shares for a particular Date of Grant shall be determined as follows:

- (a) for each organized trading facility on which the Shares are listed, Market Price will be:
 - (i) the closing trading price of the Shares on the day immediately preceding the issuance of the News release announcing the grant of the Option, or
 - (ii) if, in accordance with the policies of the TSXV, the Corporation is not required to issue a News release to announce the grant and exercise price of the Option, the closing trading price of the Shares on the day immediately preceding the Date of Grant,

and may be less than this price if it is within the discounts permitted by the applicable Regulatory Authorities;

- (b) if the Shares are listed on more than one organized trading facility, the Market Price shall be the Market Price as determined in accordance with subparagraph (a) above for the primary organized trading facility on which the Shares are listed, as determined by the Plan Administrator, subject to any adjustments as may be required to secure all necessary Regulatory Approvals;
- (c) if the Shares are listed on one or more organized trading facilities but have not traded during the ten trading days immediately preceding the Grant Date, then the Market Price will be, subject to any adjustments as may be required to secure all necessary Regulatory Approvals, such value as is determined by the Plan Administrator; and
- (d) if the Shares are not listed on any organized trading facility, then the Market Price will be, subject to any adjustments as may be required to secure all necessary Regulatory Approvals, such value as is determined by the Plan Administrator to be the fair value of the Shares, taking into consideration all factors that the Plan Administrator deems appropriate, including, without limitation, recent sale and offer prices of the Shares in private transactions negotiated at arms' length.

Notwithstanding anything else contained herein, in no case will the Market Price be less than the minimum prescribed by each of the organized trading facilities that would apply to the Corporation on the Date of Grant

in question.

4.6 Vesting of Options and Acceleration

Subject to the limitations in Section 3.8 and all Applicable Laws, the vesting schedule for an Option, if any, shall be determined by the Plan Administrator and shall be set out in the Option Certificate issued in respect of the Option. The Plan Administrator may elect, at any time, to accelerate the vesting schedule of one or more Options including, without limitation, on a Triggering Event, and such acceleration will not be considered an amendment to the Option in question requiring the consent of the Participant under Section 8.2 of the Plan. Notwithstanding the foregoing, if the Corporation is listed on the TSXV, no acceleration to the vesting schedule of one or more Options granted to an Investor Relations Service Provider can be made without the prior written acceptance of the TSXV.

4.7 Additional Terms

Subject to all Applicable Laws and all necessary Regulatory Approvals, the Plan Administrator may attach additional terms and conditions to the grant of a particular Option, such terms and conditions to be set out in the Option Certificate. The Option Certificates will be issued for convenience only, and in the case of a dispute with regard to any matter in respect thereof, the provisions of the Plan and the records of the Corporation shall prevail over the terms and conditions in the Option Certificate.

4.8 Exercise of Options

An Option may be exercised only by the Participant or the Personal Representative of any Participant. A Participant or the Personal Representative of any Participant may exercise an Option in whole or in part at any time and from time to time during the Exercise Period up to the Expiry Time on the Expiry Date by delivering to the Plan Administrator the required Exercise Notice, the applicable Option Certificate and one of following forms of consideration, subject to Applicable Laws:

- (a) *Cash Exercise* - Consideration may be paid by a Participant sending a wire transfer, certified cheque or bank draft payable to the Corporation in an amount equal to the aggregate Exercise Price of the Shares then being purchased pursuant to the exercise of the Option.
- (b) *Cashless Exercise* - Subject to approval from the Plan Administrator and further subject to the Shares being traded on the Exchange, consideration may be paid by a Participant as follows: (i) a brokerage firm loans money to the Participant in order for the Participant to exercise Options to acquire the underlying Shares (the “**Loan**”); (ii) the brokerage firm then sells a sufficient number of Shares to cover the Exercise Price of the Options that were exercised by the Participant in order to repay the Loan; and (iii) the brokerage firm receives an equivalent number of Shares from the exercise of the Options and the Participant receives the balance of the Shares or the cash proceeds from the balance of such Shares.
- (c) *Net Exercise* - Subject to approval from the Plan Administrator and further subject to the Shares being traded on the Exchange, consideration may be paid by reducing the number of Shares otherwise issuable under the Options such that, in lieu of a cash payment to the Corporation, a Participant, excluding Investor Relations Service Providers, only receives the number of Shares that is equal to the quotient obtained by dividing: (i) the product of the number of Options being exercised multiplied by the difference between the VWAP of the underlying Shares and the Exercise Price of the subject Options, by (ii) the VWAP of the underlying Shares. The number of Shares delivered to the Participant may be further reduced to satisfy applicable tax withholding obligations pursuant to Section 5.2. In the event of a net exercise, the number of Options exercised, surrendered or converted, and not the number of Shares issued, must be included in calculating the limits set forth in Sections 3.7 and 3.8.

4.9 Issue of Share Certificates or Direct Registration Statements

As soon as reasonably practicable following the receipt of the Exercise Notice, the Plan Administrator shall cause to be delivered to the Participant a certificate or direct registration statement for the Shares so purchased. If the number of Shares so purchased is less than the number of Shares subject to the Option Certificate surrendered, the Plan Administrator shall also provide a new Option Certificate for the balance of Shares available under the Option, being the number of Shares subject to the Option Certificate surrendered less the number of Shares purchased and, if applicable, the number of Options exercised, surrendered or converted in accordance with Section 4.8(c), to the Participant concurrent with delivery of the certificate or direct registration statement for the Shares.

4.10 Termination of Options

Subject to such other terms or conditions that may be attached to Options granted hereunder, a Participant may exercise an Option in whole or in part at any time and from time to time during the Exercise Period. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void and of no effect as of the Expiry Time on the Expiry Date. The Expiry Date of an Option shall be the earlier of the date so fixed by the Plan Administrator at the time the Option is granted as set out in the Option Certificate and the date established, if applicable, pursuant to Article ARTICLE 6.

ARTICLE 5 ADDITIONAL OPTION TERMS

5.1 Black-Out Period

If the Expiry Date for an Option occurs during the Black-Out period, then, notwithstanding any other provision of the Plan, the Option shall be extended no more than ten Business Days after the date the Black-Out is lifted by the Corporation, unless the delayed expiration would result in tax penalties or the Participant or the Corporation is subject to a cease trade order in respect of the Corporation's securities.

5.2 Withholding Taxes

The granting, vesting or exercise of each Option under the Plan is subject to the condition that if at any time the Plan Administrator determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such grant, vesting or exercise, such action is not effective unless such withholding has been effected to the satisfaction of the Plan Administrator. In such circumstances, the Plan Administrator may require that a Participant pay to the Corporation the minimum amount as the Corporation or a Subsidiary of the Corporation is obliged to remit to the relevant taxing authority in respect of the granting, vesting or exercise of the Option. Any such additional payment is due no later than the date on which such amount with respect to the Option is required to be remitted to the relevant tax authority by the Corporation or a Subsidiary of the Corporation, as the case may be. Alternatively, and subject to any requirements or limitations under applicable law, the Corporation may (a) withhold such amount from any remuneration or other amount payable by the Corporation or a Subsidiary of the Corporation to the Participant, (b) require the sale of a number of Shares issued upon exercise or vesting of such Option and the remittance to the Corporation of the net proceeds from such sale sufficient to satisfy such amount or (c) enter into any other suitable arrangements for the receipt of such amount. If the Corporation is listed on the TSXV, the Corporation will ensure that any tax withholding made by the Corporation under the Plan is conducted in compliance with Policy 4.4.

Participants (or their beneficiaries) shall be responsible for all taxes with respect to any Options granted under the Plan, whether arising as a result of the grant or payment in respect of the Option or otherwise. The Corporation, the Plan Administrator and the Board make no guarantees to any Person regarding the tax treatment of an Option or issuances of Shares and none of the Corporation, the Board, the Plan Administrator or any of the Executives, Employees, Consultants, agents, advisors or representatives of the Corporation or the

Subsidiary of the Corporation shall have any liability to a Participant with respect thereto.

5.3 **Recoupment**

Notwithstanding any other terms of the Plan, Options may be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of any clawback, recoupment or similar policy adopted by the Corporation or a Subsidiary of the Corporation and in effect at the Date of Grant of the Option, or as otherwise required by law or the rules of the Exchange. The Plan Administrator may at any time waive the application of this Section 5.3 to any Participant or category of Participants.

5.4 **No Other Benefit**

- (a) No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of a Share or the value of any Option granted, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.
- (b) The Corporation makes no representations or warranties to Participants with respect to the Plan or any Options whatsoever. Participants are expressly advised that the value of any Options issued pursuant to the Plan will fluctuate as the trading price of the Shares fluctuates.
- (c) In seeking the benefits of participation in the Plan, the Participant shall exclusively accept all risks associated with a decline in the trading price of the Shares and all other risks associated with the holding of any Options.

ARTICLE 6 TERMINATION OF EMPLOYMENT OR SERVICES

6.1 **Termination of Participant**

Subject to Article 7 and unless otherwise determined by the Plan Administrator or as set forth in an Option Certificate:

- (a) where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation for Cause, then each Option held by the Participant that has not Vested as of the Termination Date is immediately forfeited and cancelled as of the Termination Date. The Plan Administrator, in its discretion, shall determine the effect of all matters and questions relating to whether a Participant has been discharged for Cause. In addition, where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation for Cause, the Plan Administrator may, in its discretion, determine that all Options held by the Participant that have Vested as of the Termination Date shall immediately become forfeited, cancelled, null and void, failing which, all Options held by the Participant that have Vested as of the Termination Date shall be exercisable in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period;
- (b) where a Participant ceases to hold office or his or her position, as applicable, by reason of voluntary resignation by the Participant, then each Option held by the Participant that has not Vested as of the Termination Date is immediately forfeited and cancelled as of the Termination Date. All Options held by the Participant that have Vested as of the Termination Date shall be exercisable in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination Date. Any

Option that remains unexercised shall be immediately forfeited upon the termination of such period;

- (c) where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation without Cause (whether such termination occurs with or without any or adequate reasonable notice, or with or without any or adequate compensation in lieu of such reasonable notice); then:
 - (i) subject to Section 4.6, a portion of any Options held by the Participant that are not yet Vested shall immediately vest, with such portion to be equal to the number of unvested Options multiplied by a fraction the numerator of which is the number of days between the Date of Grant and the Termination Date and the denominator of which is the number of days between the Date of Grant and the date the unvested Options were originally scheduled to vest. For clarity and by way of example, if a Participant's employment is terminated 400 days following the Date of Grant and unvested Options were originally scheduled to vest 600 days from the Date of Grant, two-thirds of the unvested Options will immediately vest;
 - (ii) subject to Section 6.1(c)(i), any Options held by the Participant that are not yet Vested at the Termination Date after the application of Section 6.1(c)(i) shall be immediately forfeited to the Corporation; and
 - (iii) any Options held by the Participant that have Vested as of the Termination Date or Vested pursuant to Section 6.1(c)(i) shall be settled in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period;
- (d) notwithstanding that such date may be prior to the Termination Date, a Participant's eligibility to receive further grants of Options under the Plan ceases as of the date that: (i) the Corporation or a Subsidiary of the Corporation, as the case may be, provides the Participant with written notification that the Participant's employment or services are terminated in the circumstances contemplated by this Section 6.1, or (ii) the Participant provides the Corporation or a Subsidiary of the Corporation, as the case may be, with written notification of the Participant's voluntary resignation;
- (e) unless the Plan Administrator, in its discretion, otherwise determines, at any time and from time to time, Options shall not be affected by a change of employment agreement or arrangement, or directorship within or among the Corporation or a Subsidiary of the Corporation for so long as the Participant continues to be an Executive, Employee or Consultant, as applicable, of the Corporation or a Subsidiary of the Corporation.

6.2 Leave of Absence

If a Participant is on sick leave or other bona fide leave of absence, such Participant shall continue to be deemed a "Participant" for the purposes of an outstanding Option during the period of such leave, provided that it does not exceed 90 days (or such longer period as may be determined by the Plan Administrator in its discretion). If the period of leave exceeds 90 days (or such longer period as may be determined by the Plan Administrator in its discretion), the relationship shall be deemed to have been terminated by the Participant voluntarily on the 91st day (or the first day immediately following any period of leave in excess of 90 days as approved by the Plan Administrator) of such leave, unless the Participant's right to reemployment or reengagement of services with the Corporation or a Subsidiary of the Corporation, as applicable, is guaranteed by statute or contract.

6.3 Death or Disability

Subject to Section 4.6, where a Participant's employment or services are terminated by reason of the death of the Participant or the Participant becomes Disabled, then each Option held by the Participant that has not Vested as of the date of the death or Disability, as applicable, of such Participant shall vest on such date, and be exercisable in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; and (ii) first anniversary of the date of the death or Disability of the Participant. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period. A Participant's eligibility to receive further grants of Options under the Plan ceases as of the date of the death or Disability of the Participant.

6.4 Discretion to Permit Acceleration

Notwithstanding the provisions of this Article 6, subject to Sections 3.8(d) and 4.6 and any necessary Regulatory Approvals, the Plan Administrator may, in its discretion, at any time prior to, or following the events contemplated in Article 6, permit the acceleration of vesting of any or all Options, all in the manner and on the terms as may be authorized by the Plan Administrator, and if such discretion is taken and the vesting of any or all Options occurs, then such Options will be exercised in accordance with Section 4.8.

ARTICLE 7 EVENTS AFFECTING THE CORPORATION

7.1 Change in Control

Subject to any necessary Regulatory Approvals:

- (a) Unless determined otherwise by the Plan Administrator, if within 12 months following the completion of a transaction resulting in a Change in Control, (i) a Participant's employment or directorship is terminated by the Corporation or a Subsidiary of the Corporation without Cause or (ii) a Participant resigns for Good Reason, without any action by the Plan Administrator, the vesting of all Options held by such Participant shall immediately accelerate and vest on the date of such Participant's termination or resignation for Good Reason and the Options shall be exercisable in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period.
- (b) Notwithstanding Section 7.1(a), the Plan Administrator may, without the consent of any Participant, and subject to prior TSXV acceptance pursuant to Section 8.2(a), as applicable, take such steps as it deems necessary or desirable in connection with a Change in Control, including, without limitation, to cause: (i) the conversion or exchange of any outstanding Options into or for, rights or other securities of substantially equivalent value (or greater value), as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control; (ii) outstanding Options to vest and become realizable, or payable; (iii) restrictions applicable to an Option to lapse, in whole or in part prior to or upon consummation of such Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such Change in Control; (iv) the termination of an Option in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the settlement of such Option or realization of the Participant's rights as of the date of the occurrence of the transaction (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon the settlement of such Option or realization of the Participant's rights, then such Option may be

terminated by the Corporation without payment); (v) the replacement of such Option with other rights or property selected by the Board in its discretion; or (vi) any combination of the foregoing. In taking any of the actions permitted under this Section 7.1(a), the Plan Administrator will not be required to treat all Options similarly in the transaction.

7.2 Triggering Events

Subject to any necessary Regulatory Approvals and notwithstanding any other provisions of the Plan or any Option Certificate, the Plan Administrator may, without the consent of the Participant in question cause all or a portion of any of the Options granted under the Plan to terminate upon the occurrence of a Triggering Event, provided that the Corporation must give written notice to the Participant in question not less than 10 days prior to the consummation of a Triggering Event so as to permit the Participant the opportunity to exercise the Vested portion of the Options prior to such termination. Upon the giving of such notice and subject to any necessary Regulatory Approvals, all Options or portions thereof granted under the Plan which the Corporation proposes to terminate shall become immediately exercisable. Notwithstanding the foregoing, if the Corporation is listed on the TSXV, no acceleration to the vesting schedule of one or more Options granted to an Investor Relations Service Provider can be made without the prior written acceptance of the TSXV.

7.3 Reorganization of Corporation's Capital

Should the Corporation effect a subdivision or consolidation of Shares or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Corporation that does not constitute a Change in Control, or in the event of an amalgamation, combination, arrangement, merger or other transaction or reorganization involving the Corporation and occurring by exchange of Shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control, that would warrant the amendment or replacement of any existing Options in order to adjust the number of Shares that may be acquired on the vesting of outstanding Options and/or the terms of any Option in order to preserve proportionately the rights and obligations of the Participants holding such Options, the Plan Administrator may, subject to the prior approval of the Exchange, if required, authorize such steps to be taken as it may consider to be equitable and appropriate to that end, including, but not limited to, permitting the immediate vesting of any unvested Options and amending the Exercise Price payable per Share. For greater certainty, neither this Section 7.3 nor any other provision in the Plan permit a Participant to receive additional security based compensation in lieu of dividends declared by the Corporation.

7.4 Assumptions of Options in Acquisitions

Notwithstanding any other provision of the Plan, in connection with a Reverse Takeover, a Change of Business, a Reorganization or an acquisition pursuant to Policy 5.3 – *Acquisitions and Dispositions of Non-Cash Assets* of the TSXV Manual, subject to prior TSXV acceptance, security based compensation of a target Company may be cancelled and replaced with substantially equivalent Options under the Plan without shareholder approval, provided that the rules of the TSXV are complied with.

7.5 No Restriction on Action

The existence of the Plan and of any Options granted hereunder shall not affect, limit or restrict in any way the right or power of the Corporation, the Board or the Corporation's shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Corporation's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Corporation or to create or issue any bonds, debentures, shares or other securities of the Corporation or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise. No Participant or any other Person shall have any claim against any member of the Committee or the Corporation or any Employees, Officers or agents of the Corporation as a result of any such action.

7.6 Issue by Corporation of Additional Shares

Except as expressly provided in this Article 7, neither the issue by the Corporation of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Shares that may be acquired as a result of a grant of Options.

7.7 Fractions

No fractional Shares will be issued pursuant to an Option. Accordingly, if, as a result of any adjustment under this ARTICLE 7, a Participant would become entitled to a fractional Share, the Participant has the right to acquire only the adjusted number of full Shares (rounded down to the nearest whole number) and no payment or other adjustment will be made with respect to the fractional Shares, which shall be disregarded.

ARTICLE 8 AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN

8.1 Discretion of the Plan Administrator

Subject to any Regulatory Approvals, including, where required, the approval of the TSXV and to Section 8.2, the Plan Administrator may, from time to time, without notice to or approval of the Participants or of the shareholders of the Corporation, amend, modify, change, suspend or terminate the Plan or any Options granted pursuant to the Plan as it, in its discretion, determines appropriate, provided, however, that, no such amendment, modification, change, suspension or termination of the Plan or any Options granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any Applicable Laws or Exchange requirements or as otherwise set out in the Plan.

8.2 Amendment of Option or Plan

Notwithstanding Section 8.1 and subject to any rules of the Exchange, if the Corporation is listed on the TSXV, the following limitations shall apply to the Plan and all Options thereunder so long as such limitations are required by the TSXV:

- (a) any adjustment to Options, other than in connection with a security consolidation or security split, is subject to the prior acceptance of the TSXV and the issuance of a News release by the Corporation outlining the terms thereof;
- (b) any amendment to the Plan is subject to the prior acceptance of the TSXV, except for amendments to: (i) reduce the number of Shares that may be issued under the Plan, (ii) increase the Exercise Price of Options, or (iii) cancel Options;
- (c) subject to any rules of the TSXV, approval of shareholders of the Corporation shall be required for any amendment to the Plan except for amendments to: (i) fix typographical errors, and (ii) clarify existing provisions of the Plan and which do not have the effect of altering the scope, nature and intent of such provisions; and
- (d) any reduction in the Exercise Price of an Option, or extension to the Expiry Date of an Option, held by an Insider at the time of the proposed amendment is subject to disinterested shareholder approval in accordance with the policies of the TSXV and the issuance of a News release by the Corporation outlining the terms thereof.

ARTICLE 9 MISCELLANEOUS

9.1 Legal Requirement

The Corporation is not obligated to grant any Options, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Plan Administrator, in its discretion, such action would constitute a violation by a Participant or the Corporation of any provision of any applicable statutory or regulatory enactment of any government or government agency or the requirements of any Exchange upon which the Shares may then be listed.

9.2 Rights of Participant

No Participant has any claim or right to be granted an Option and the granting of any Option is not to be construed as giving a Participant a right to remain as an Executive, Employee or Consultant of the Corporation or a Subsidiary of the Corporation. Neither the Participant nor such Participant's Personal Representatives shall have any rights whatsoever as a shareholder of the Corporation in respect of Shares issuable pursuant to any Option until the allotment and issuance to such Participant or the liquidator, executor or administrator, as the case may be, of the estate of such Participant, of certificates representing such Shares (or in the case of Shares issued in uncertificated form, receipt of evidence of a book position on the register of the shareholders of the Corporation maintained by the transfer agent and registrar of the Corporation).

9.3 Conflict

In the event of any conflict between the provisions of the Plan and the provisions of an Option Certificate, an employment agreement or another written agreement between the Corporation or a Subsidiary of the Corporation and a Participant, the provisions of the Plan shall govern.

9.4 Anti-Hedging Policy

By accepting the Option, each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of Options.

9.5 No Guarantee of Tax Consequences

Neither the Plan Administrator nor the Corporation makes any commitment or guarantee that any specific tax treatment will apply or be available to the Participants.

9.6 Participant Information

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer the Plan. Each Participant acknowledges that information required by the Corporation in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such Persons (including Persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

9.7 Participation in the Plan

The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. In particular, participation in the Plan does not constitute a condition of

employment or engagement nor a commitment on the part of the Corporation to ensure the continued employment or engagement of such Participant.

9.8 Successors and Assigns

The Plan shall be binding on all successors and assigns of the Corporation and its affiliates.

9.9 Severability

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

9.11 Effective Date and Replacement

The Plan shall become effective upon the receipt of all required shareholder and regulatory approvals, being the Effective Date, and will replace the Prior Plan. All awards granted under the Prior Plan and which remain outstanding at the Effective Date will remain in full force and effect in accordance with their terms; however, following the Effective Date, no additional grants shall be made under the Prior Plan, and the Prior Plan will terminate on the date upon which no further Outstanding Options remain outstanding.

SCHEDULE C**iMetal Resources Inc.**
(the "Company")**RESTRICTED SHARE UNIT AND**
DEFERRED SHARE UNIT COMPENSATION PLAN
(the "RSU/DSU Plan")**1. PURPOSE**

- (a) **Background.** The Issuer currently has in place the Stock Option Plan pursuant to which Options may be granted to purchase Shares. Subject to section 14 hereof, the Issuer now also adopts this RSU/DSU Plan on the terms and conditions herein set forth (as may be amended from time to time) in order to provide the Issuer with flexibility in designing various equity-based compensation arrangements for the Directors, Employees, Consultants and other Persons engaged to provide ongoing services to the Issuer and its subsidiaries, other than Persons involved in Investor Relations Activities relating to the Issuer. Persons involved in Investor Relations Activities relating to the Issuer may not receive any security-based compensation, other than Options. Section 14 hereof sets forth the provisions concerning the effective date of the RSU/DSU Plan, its termination and application to Awards under the existing and continuing Stock Option Plan.
- (b) **Purpose.** The purpose of this RSU/DSU Plan is to advance the interests of the Issuer by encouraging Directors, Employees and Consultants to receive equity-based compensation and incentives, thereby (i) increasing the proprietary interests of such Persons in the Issuer, (ii) aligning the interests of such Persons with the interests of the Issuer's shareholders generally, (iii) encouraging such Persons to remain associated with the Issuer, and (iv) furnishing such Persons with additional incentive in their efforts on behalf of the Issuer. The Board also contemplates that through the RSU/DSU Plan, the Issuer will be better able to compete for and retain the services of the individuals needed for the continued growth and success of the Issuer.

Restricted Share Units granted pursuant to this RSU/DSU Plan will be used to compensate Participants for their individual performance-based achievements and are intended to supplement stock option awards in this specific respect. The goal of such grants is to more closely tie Awards to individual performance based on established Performance Criteria.

Deferred Share Units granted pursuant to this RSU/DSU Plan will be used as a means of reducing the cash payable by the Issuer in respect of a Participant's compensable amounts. In so doing, the interest of each Participant will become more closely aligned with those of the Issuer and its shareholders.

- (6) determine whether and the extent to which any Performance Criteria or other conditions applicable to Vesting of an Award have been satisfied or shall be waived or modified;
- (7) subject to receipt of all requisite Exchange or shareholder approvals required in respect of any amendment under the terms of this Plan or the policies of the Exchange, amend the terms of any instrument of grant or other documents evidencing Awards; provided, however, that other than permitted under subsection 5(d) hereof, no amendment of an Award may, without the consent of the holder of the Award, adversely affect such Person's rights with respect to such Award in any material respect;
- (8) accelerate or waive any condition to the Vesting of any Award, all Awards, any class of Awards or Awards held by any group of Participants; and
- (9) determine whether and the extent to which adjustments shall be made pursuant to section 9 hereof and the terms of any such adjustments.

However, the Granting Authority shall not have any discretion under this subsection 3(a) or any other provisions of the RSU/DSU Plan that would modify the terms or conditions of any Award that is intended to be exempt from the definition of "salary deferral arrangement" in the ITA if the exercise of such discretion would cause the Award to not be or cease to be exempt. The Granting Authority will also exercise its discretion in good faith in accordance with the Issuer's intention that the terms of the instrument of grant evidencing the Awards and the modifications or waivers permitted hereby are in compliance with applicable law and the rules of the Exchange.

- (b) **Effects of Granting Authority's Decision.** Any action taken, interpretation or determination made, or any rule or regulation adopted by the Granting Authority pursuant to this RSU/DSU Plan shall be made in its sole discretion and shall be final, binding and conclusive on all affected Persons, including, without limitation, the Issuer, any of its subsidiaries, any Grantee, holder or beneficiary of an Award, any shareholder and any Eligible Person.

- (c) **Liability Limitation and Indemnification.** No member of the Granting Authority or the Board generally shall be liable for any action or determination made in good faith pursuant to the RSU/DSU Plan or any instrument of grant evidencing any Award granted under the RSU/DSU Plan. To the fullest extent permitted by law, the Issuer shall indemnify and save harmless, and shall advance and reimburse the expenses of, each Person made, or threatened to be made, a party to any action or proceeding in respect of the RSU/DSU Plan by reason of the fact that such Person is or was a member of the Granting Authority or is or was a member of the Board in respect of any claim, loss, damage or expense (including legal fees) arising therefrom.
- (d) **Delegation and Administration.** The Granting Authority may, in its discretion, delegate such of its powers, rights and duties under the RSU/DSU Plan, in whole or in part, to such committee, Person or Persons as it may determine, from time to time, on terms and conditions as it may determine, except the Granting Authority shall not, and shall not be permitted to, delegate any such powers, rights or duties: (i) with respect to the grant, amendment, administration or settlement of any Award of a Participant, (ii) with respect to the establishment or determination of the achievement of the Performance Criteria, or (iii) with respect to any matter that would be in violation of applicable law or the rules of any Exchange. The Granting Authority may also appoint or engage a trustee, custodian or administrator to administer and implement the RSU/DSU Plan or any aspect of it, subject to the exception of the immediately preceding sentence hereof.
- (e) **Bona Fide Employees, Consultants and Management Company Employees.** For Awards granted to Employees, Consultants or Management Company Employees, the Issuer and the Participant are responsible for ensuring and confirming that the Participant is a bona fide Employee, Consultant or Management Company Employee, as the case may be.

4. **SHARES SUBJECT TO THE PLAN**

- (a) **Aggregate Plan Limits.** Subject to adjustment pursuant to section 9 hereof, the maximum aggregate number of Shares that may be reserved for issue at any given time in connection with the Awards granted under this RSU/DSU Plan shall not exceed 3,737,939 Shares (being 10% of the issued and outstanding Shares as at November 03, 2022, the date on which the Board approved this RSU/DSU Plan) unless Disinterested Shareholder Approval for an additional listing of Shares under this RSU/DSU Plan has been obtained.
- (b) **Certain Additional Limits.** Notwithstanding anything to the contrary in this RSU/DSU Plan, as long as the Shares are listed on the TSXV,
 - (i) the number of Shares which may be reserved for issue pursuant to this RSU/DSU Plan together with the Shares which may be reserved for issue pursuant to any other Security Based Compensation Plan of the Issuer or options for services granted by the Issuer, including the Stock Option Plan, to any one Person within a 12 month period shall not exceed in the aggregate 5% of the number of Shares issued and outstanding on a non-diluted basis on the Grant Date unless the Issuer has received Disinterested Shareholder Approval;

- (ii) the number of Shares which may be reserved for issue pursuant to this RSU/DSU Plan together with the Shares which may be reserved for issue pursuant to any other Security Based Compensation Plan of the Issuer or options for services granted by the Issuer, including the Stock Option Plan, to all Insiders shall not exceed 10% of the number of Shares issued and outstanding on a non-diluted basis at any point in time unless the Issuer has received Disinterested Shareholder Approval;
- (iii) the number of Shares which may be reserved for issue pursuant to this RSU/DSU Plan together with the Shares which may be reserved for issue pursuant to any other Security Based Compensation Plan of the Issuer or options for services granted by the Issuer, including the Stock Option Plan, to all Insiders within a 12 month period shall not exceed in the aggregate 10% of the number of Shares issued and outstanding on a non-diluted basis on the Grant Date unless the Issuer has received Disinterested Shareholder Approval; and
- (iv) the number of Shares which may be reserved for issue pursuant to this RSU/DSU Plan together with those Shares which may be reserved for issue pursuant to any other Security Based Compensation Plan of the Issuer or options for services granted by the Issuer, including the Stock Option Plan, to any one Consultant in any 12 month period shall not exceed 2% of the number of Shares issued and outstanding on a non-diluted basis on the Grant Date.

For the purposes of determining compliance with the above restrictions, the Granting Authority will take into account Shares reserved or issued pursuant to Options together with Shares reserved or issued pursuant to any other Security Based Compensation Plan of the Issuer (including this RSU/DSU Plan) to the extent required by applicable law and applicable rules of the TSXV.

- (c) **Source of Shares.** Except as expressly provided in the RSU/DSU Plan, Shares delivered to Participants in connection with the exercise or settlement of Awards may be authorized but unissued Shares, Shares purchased in the open-market or in private transactions. The Board shall take such action as may be necessary to authorize and reserve for issue from unissued Shares such number of Shares as may be necessary to permit the Issuer to meet its obligations under the RSU/DSU Plan, provided, however, that the Issuer may satisfy its obligations from treasury shares or Shares purchased in the open market or private transactions.
- (d) **Legends.** In addition to any resale restrictions required under applicable securities laws or the policies of the TSXV, all Awards issued to Insiders and any Shares issued upon the Vesting of the Awards prior to the expiry of the TSXV Hold Period, must be legended as prescribed under the policies of the TSXV with the TSXV Hold Period commencing on the date the Awards were granted.

5. GENERAL PROVISIONS RELATING TO AWARDS

- (a) **Eligibility.** Awards will be granted only to those Persons who are, at the time of the grant, Eligible Persons. This RSU/DSU Plan is not intended to provide a mechanism for compensating Investor Relations Service Providers, and Investor

Relations Service Providers are not eligible to receive Awards. If any Participant is (pursuant to the terms of his or her employment or otherwise) subject to a requirement that he or she not benefit personally from an Award, the Granting Authority may grant any Award to which such Person would otherwise be entitled to the Person's employer or to any other entity designated by them that directly or indirectly imposes such requirement on the Person. No Awards may be granted unless the Award is allocated to a particular Person or Persons. The Granting Authority shall have the power to determine other eligibility requirements with respect to Awards or types of Awards.

- (b) **Terms of Grant.** Subject to the other express terms of this RSU/DSU Plan, grants of Awards under the RSU/DSU Plan shall contain such terms and conditions as the Granting Authority may specify. Without limiting the foregoing,
- (i) Each Award granted under the RSU/DSU Plan shall be evidenced by an instrument of grant, in such form or forms as the Granting Authority shall approve from time to time, which shall set forth such terms and conditions consistent with the terms of the RSU/DSU Plan as the Granting Authority may determine. Each instrument of grant shall set forth, at a minimum, the type and Effective Date of the Award evidenced thereby, the number of Shares subject to such Awards and the applicable Vesting conditions. Reference in the RSU/DSU Plan to an instrument of grant shall include any supplements or amendments thereto.
 - (ii) The term or Restricted Period of each Award that is a Restricted Share Unit shall be for such period as may be determined by the Granting Authority, provided, however, that in no event shall the term of any Restricted Share Unit exceed a period of 10 years (or such other shorter term as may be required in respect of an Award so that such Award does not constitute a "salary deferral arrangement" as defined in subsection 248(1) of the ITA), subject to extension of such term where such term expires during the Restricted Period, provided that such extension may not be longer than 10 business days after the expiry of the Restricted Period.
 - (iii) The terms, conditions and/or restrictions contained in an Award may differ from the terms, conditions and restrictions contained in any other Awards.
 - (iv) The Granting Authority may specify such other terms and conditions, consistent with the terms of the RSU/DSU Plan, as the Granting Authority shall determine or as shall be required under any other provisions of the RSU/DSU Plan. Such terms may include, without limitation, provisions requiring forfeiture of Awards in the event of termination of employment by the Participant and provisions permitting a Participant to make elections relating to his or her Award.
- (c) **Vesting Conditions.** Subject to the terms of the RSU/DSU Plan, the Granting Authority shall determine any and all conditions to the Vesting of all and/or any portion of Awards and shall specify the material terms thereof in the applicable instrument of grant on, or as soon as reasonably practicable following, the Effective Date of the Award. Vesting of an Award, or portion thereof, may be conditioned upon passage of time, continued employment, satisfaction of Performance

Criteria, or any combination of the foregoing, as determined by the Granting Authority.

- (d) **Change of Control.** Unless otherwise provided in the Award or by direction of the Granting Authority as to all or any type of number of Awards, in the event of a Change of Control and notwithstanding any other Vesting or other restrictions or conditions, the Granting Authority may take whatever action with respect to the Awards outstanding that it deems necessary or desirable, including the following:
- (i) The Granting Authority may waive all restrictions and conditions of all Restricted Share Units and Deferred Share Units then outstanding with the result that those types of Awards shall be deemed satisfied, and the Restricted Period or other limitations on payment in full with respect thereto shall be deemed to have expired, as of the date of the Change of Control or such other date as may be determined by the Granting Authority, provided that, in no event shall a payment be made in respect of a Deferred Share Unit granted to a Participant prior to the date such Participant ceases to be an Employee or Director of the Issuer or of a subsidiary.
 - (ii) Notwithstanding the above provision of this subsection 5(d), but subject to any contractual rights created by the terms of an Award, the Granting Authority shall not be required to take any action described in the preceding provisions, and any decision made by the Granting Authority, in its sole discretion, not to take some or all of the actions described in the preceding provisions shall be final, binding and conclusive with respect to the Issuer and all other interested Persons. Any acceleration of Vesting shall be deemed to have occurred immediately prior to the Change of Control, no matter when the determination of the Granting Authority occurs.
 - (iii) If approved by the Board prior to or within 30 days after such time as a Change of Control shall be deemed to have occurred, the Board shall have at any time the right to require that all or any portion of the Awards be settled and discharged in cash based on the "cash value" of such Awards in lieu of settlement by issue of Shares. Such requirement may be specified in any arrangement relating to such Change of Control transaction to which the Issuer is a party or may be specified in any notice sent by the Issuer, which arrangement or notice may also specify the terms and timing of such settlement. If not so specified, the Board may require settlement at any time within a 45-day period immediately following the date that the Change of Control is deemed to have occurred. The Issuer may require Participants to verify the amount and completeness of any settlement of Awards as a condition to the final settlement and payment.
- (e) **Fractional Shares.** No fractional Shares shall be issued under the RSU/DSU Plan and there shall be no entitlement or payment for any fractional Shares and no payment shall be made in lieu of a fractional Share.
- (f) **Compliance with the ITA.** The terms and conditions applicable to any Award (or portion thereof) granted to a Participant who is subject to taxation under the ITA are intended to comply with the ITA. Without limiting the foregoing,

- (i) the terms of any such Award (or portion thereof) permitting the deferral of payment or other settlement thereof shall be subject to such requirements and shall be administered in such manner as the Committee may determine to be necessary or appropriate to comply with the applicable provisions of the ITA as in effect from time to time; and
- (ii) any elections allowed to be exercised by a Participant shall be deemed to be void or shall be deemed amended or altered so as not to cause the Award to be considered a "salary deferral arrangement" under the ITA, as defined in subsection 248(1) or create adverse tax consequences under the ITA.

6. RESTRICTED SHARE UNITS AND DEFERRED SHARE UNITS

- (a) **Grants.** The Granting Authority may from time to time grant one or more Awards of Restricted Share Units and/or Deferred Share Units to Eligible Persons on such terms and conditions, consistent with the RSU/DSU Plan, as the Granting Authority shall determine and which terms shall be contained in a grant agreement substantially in the form annexed hereto as schedule A (in respect of Restricted Share Units) and schedule B (in respect of Deferred Share Units).
- (b) **Vesting Terms.** Restricted Share Units shall become Vested at such times, in such instalments and subject to such terms and conditions consistent with subsection 5(c) hereof as may be determined by the Granting Authority and set forth in the applicable instrument of grant, and provided that the conditions to Vesting of Restricted Share Units may be based on the Participant's continued employment and having regard to the satisfaction of any Performance Criteria established by the Granting Authority, provided however that Restricted Share Units shall become Vested and be paid out no later than December 31 of the third calendar year following the calendar year in which the Grantee rendered the services in respect of which the Award is being made. Unless otherwise provided at the time of the grant, the Vesting of Deferred Share Units shall occur at such times, in such instalments and subject to such terms and conditions as may be determined by the Granting Authority and set forth in the applicable instrument of grant. Notwithstanding the foregoing, in no event, other than an Accelerated Vesting Event, shall an Award, or any portion of an Award, be granted with a Vesting date that is less than one year following the Effective Date of the Award.
- (c) **Settlement.**
 - (i) Unless otherwise determined by the Granting Authority (including by the terms of the instrument of grant evidencing the Award of the RSU/DSU Plan) and subject to the below and to subsection 6(b) hereof, Restricted Share Units shall be settled upon or as soon as reasonably practicable following the Vesting thereof and, subject to subsection 7 and 7(b), Deferred Share Units shall be settled on the third business day (or such other period of time as permitted by the Granting Authority under the grant agreement) following the Eligible Retirement, Disability or death of the applicable Participant or at the time of Termination, subject to payment or other satisfaction of all related withholding obligations in accordance with the provisions of this RSU/DSU Plan. Notwithstanding the foregoing, upon

the death of the Participant, all unvested Restricted Share Units credited to the Participant will Vest on the date the Issuer is duly notified of the Participant's death. The Shares represented by the Restricted Share Units held by the Participant shall be issued, as determined by the Granting Authority, to the Participant's estate forthwith.

- (ii) Settlement of Restricted Share Units and Deferred Shares Units in Shares shall be made by delivery of one Share for each such Restricted Share Unit or Deferred Share Unit then being settled.
 - (iii) Upon payment of any amount pursuant to settlement of Deferred Share Units or Restricted Share Units granted under this section 6 in Shares, the particular Deferred Share Units or Restricted Share Units in respect of which such payment was made shall be cancelled and no further payments (whether in Shares or otherwise) shall be made in relation to such Deferred Share Units or Restricted Share Units.
 - (iv) If any Restricted Share Unit or Deferred Share Unit is cancelled in accordance with the terms of the RSU/DSU Plan or the agreements evidencing the grant, the Shares reserved for issue pursuant to such Award shall, upon cancellation of such Restricted Share Unit or Deferred Share Unit, as applicable, revert to the RSU/DSU Plan and shall be available for other Awards.
- (d) **Dividend Equivalents.** Neither the Participant nor his or her legal personal representative shall have any rights or privileges of a shareholder in respect of any of the Shares issuable upon exercise of the Award granted to him or her (including any right to receive dividends or other distributions therefrom or thereon) unless and until certificates representing such Shares have been issued and delivered.
- (e) **Timing Requirements.** Notwithstanding any other provision of the RSU/DSU Plan, all amounts payable to, or in respect of a Grantee in respect of Deferred Share Units including, without limitation, the delivery of Shares, shall not be made prior to the date such Grantee ceases to be an Eligible Person and shall be paid or delivered on or before December 31 of the calendar year commencing immediately following the date the Grantee ceases to be an Eligible Person. All Deferred Share Units granted to a Participant shall have such terms and conditions as are necessary to comply with paragraph 6801(d) of the Regulations of the ITA.
- (f) **No Other Benefit.**
- (i) No amount will be paid to, or in respect of, a Participant (or a Person with whom the Participant does not deal at arm's length within the meaning of the ITA) under the RSU/DSU Plan to compensate for a downward fluctuation in the price of a Share or the value of any Award granted, nor will any other form of benefit be conferred upon, or in respect of, a Participant (or a person with whom the Participant does not deal at arm's length within the meaning of the ITA), for such purpose.
 - (ii) The Issuer makes no representations or warranties to Participants with respect to the RSU/DSU Plan or any Deferred Share Units or Restricted

Share Units whatsoever. Participants are expressly advised that the value of any Deferred Share Units or Restricted Share Units in the RSU/DSU Plan will fluctuate as the trading price of the Shares fluctuates.

- (iii) In seeking the benefits of participation in the RSU/DSU Plan, a Participant agrees to exclusively accept all risks associated with a decline in the trading price of the Shares and all other risks associated with the holding of Deferred Share Units or Restricted Share Units.

7. CONSEQUENCES OF TERMINATION

- (a) **General Provisions.** Unless otherwise determined by the Granting Authority (including by the terms of the instrument of grant evidencing the Award or the RSU/DSU Plan):
 - (i) Upon Termination of employment or service of a Grantee for any reason whatsoever other than death, total Disability, Eligible Retirement, termination without cause by the Issuer, subject to subsection 6(b) hereof, any non-vested Award granted pursuant to the RSU/DSU Plan outstanding at the time of such termination and all rights thereunder shall wholly and completely terminate and no further Vesting shall occur.
 - (ii) Upon Termination of employment or service of a Grantee for cause or as a result of retirement which is not Eligible Retirement or as a result of the resignation of the Grantee, subject to subsection 6(b) hereof, any non-Vested Award granted pursuant to the RSU/DSU Plan outstanding at the time of such termination and all rights thereunder shall wholly and completely terminate and no further Vesting shall occur.
- (b) **Discretion of the Granting Authority.** Subject to the approval of the Exchange (as applicable) and the terms of this RSU/DSU Plan, and specifically subsection 10(c) hereof, and without limiting the discretion of the Granting Authority, the Granting Authority may (whether by terms of the instrument of grant evidencing the Award or by its election notwithstanding the terms of an Award):
 - (i) allow non-Vested Awards to be treated as Vested upon Termination of employment or service of a Participant in the case of an Accelerated Vesting Event;
 - (ii) provide that the Awards with respect to certain classes, types or groups of Participants will have different acceleration, forfeiture, termination, continuation or other terms than other classes, types or groups of Participants;
 - (iii) subject to receipt of all requisite Exchange or shareholder approvals required in respect of any amendment under the terms of this Plan or the policies of the Exchange, provide for the continuation of any Award for such period which is not longer than 12 months and upon such terms and conditions as are determined by the Granting Authority in the event that a Participant ceases to be an Eligible Person; or

- (iv) set any other terms for the exercise or termination of Awards upon termination of employment or service.

Notwithstanding the foregoing, all Awards granted to Participants who are subject to the ITA shall be on terms that will be designed to prevent them from being considered a "salary deferral arrangement" as defined in subsection 248(1) of the ITA.

- (c) **Leave of Absence.** If an Employee is on sick leave or other bona fide leave of absence, such Person shall be considered an "Employee" for purposes of an outstanding Award during the period of such leave, provided that it does not exceed 90 days (or such longer period as may be determined by the Granting Authority in its sole discretion), or, if longer, so long as the Person's right to reemployment is guaranteed either by statute or by contract. If the period of leave exceeds 90 days (or such longer period as may be determined by the Granting Authority in its sole discretion), the employment relationship shall be deemed to have been terminated on the 91st day (or the first day immediately following any period of leave in excess of 90 days as approved by the Granting Authority) of such leave, unless the Person's right to reemployment is guaranteed by statute or contract.

8. TRANSFERABILITY

- (a) **Transfer Restrictions.** Unless otherwise provided in the instrument of grant evidencing an Award, no Award, and no rights or interests therein, shall or may be assigned, transferred, sold, exchanged, encumbered, pledged or otherwise hypothecated or disposed of by a Participant other than by testamentary disposition by the Participant or the laws of intestate succession. No such interest shall be subject to execution, attachment or similar legal process including without limitation seizure for payment of the Participant's debts, judgments, alimony or separate maintenance.
- (b) **Transfer upon Death of Participant.** In the case where transfer is made following the death of a Participant to the Participant's legal personal representative, such legal personal representative may only receive the entitlement under the Award provided that it is exercised (if exercisable) at any time up to and including, but not after, 5:00 p.m. (Toronto time) on the date which is one year following the date of death of the Participant or up to 5:00 p.m. (Toronto time) on the date on which the Award granted to such participant expires, whichever is the earlier; such entitlement shall only occur in cases where the Award has Vested in accordance with the provisions of the RSU/DSU Plan and where it is found that the Participant is legally entitled to the Award.

9. ADJUSTMENTS

- (a) **No Restriction on Action.** The existence of the RSU/DSU Plan and/or the Awards granted hereunder shall not limit, affect or restrict in any way the right or power of the Board or the shareholders of the Issuer to make or authorize (i) any adjustment, recapitalization, reorganization or other change in the capital structure or business of the Issuer, (ii) any merger, consolidation, amalgamation or change in ownership of the Issuer, (iii) any issue of bonds, debentures, capital, preferred or prior preference shares ahead of or affecting the capital Share of the Issuer or the rights

thereof, (iv) any dissolution or liquidation of the Issuer, (v) any sale or transfer of all or any part of the assets or business of the Issuer, or (vi) any other corporate act or proceeding with respect to the Issuer. No Participant or any other Person shall have any claim against any member of the Board or the Granting Authority, or the Issuer or any employees, officers or agents of the Issuer as a result of any such action.

(b) **Recapitalization Adjustment**

- (i) In the event that (A) a dividend shall be declared upon the Shares or other securities of the Issuer payable in Shares or other securities of the Issuer, (B) the outstanding Shares shall be changed into or exchanged for a different number or kind of shares or securities of the Issuer or of another corporation or entity, whether through an arrangement, plan of arrangement, amalgamation, or other similar statutory procedure or a share recapitalization, subdivision, consolidation or otherwise, (C) there shall be any change, other than those specified in (A) or (B) above, in the number or kind of outstanding Shares or of any securities into which such Shares shall have been changed or for which they shall have been exchanged, or (D) there shall be a distribution of assets or shares to shareholders of the Issuer out of the ordinary course of business then, the Granting Authority shall determine, subject to the prior acceptance of the Exchange (except in relation to a Share consolidation or split) and provided that any additional entitlement resulting from adjustment must be payable in cash to the extent the issuance of Shares would exceed the limitations prescribed by subsection 4(a) of the RSU/DSU Plan, whether an adjustment in the number of kind of Shares theretofore authorized but not yet covered by Awards, in the number or kind of Shares theretofore subject to outstanding Awards, in the number or kind of Shares generally available for Awards or available in any calendar year under the RSU/DSU Plan and/or such other adjustment as may be appropriate should be made, in order to ensure that, after any such event, the Shares subject to the RSU/DSU Plan and each Participant's proportionate interest shall be maintained substantially as before the occurrence of the event, and if the Granting Authority determines that an adjustment should be made, such adjustment shall be made and be effective and binding for all purposes.
- (ii) Any adjustment to any Award granted to a Participant which has been designed to fall within a specific exemption to the definition of "salary deferral arrangement" in subsection 248(1) of the ITA shall be such as to ensure the continued availability of such exemption.

10. **AMENDMENT AND TERMINATION**

- (a) **General.** Subject to the provisions of subsection 10(c) hereof, the Board may amend, suspend or terminate this RSU/DSU Plan, or any portion thereof, at any time, subject to those provisions of applicable law and the rules of the Exchange, if any, that require the approval of shareholders or any governmental regulatory body.

- (b) **Amendments Specifically Permitted.** Without limiting the generality of the foregoing, the Board may make the following types of amendments to the RSU/DSU Plan without seeking shareholder approval (unless and to the extent prohibited by applicable law or rule of an Exchange):
- (i) amendments of a technical, clerical or "housekeeping" nature including, without limiting the generality of the foregoing, any amendments for the purpose of curing any ambiguity, error or omission in the RSU/DSU Plan or to correct or supplement any provision of the RSU/DSU Plan that is inconsistent with any other provision of the RSU/DSU Plan, provided that such amendments do not have the effect of altering the scope, nature and intent of such provisions;
 - (ii) amendments necessary to comply with the provisions of applicable law and the applicable rules of the Exchange; and
 - (iii) any other amendment, whether fundamental or otherwise, not requiring shareholder approval under applicable law or the rules of the Exchange.
- (c) **Shareholder Approval.** To the extent required by applicable law or by the rules of the Exchange, shareholder approval will be required for the following types of amendments:
- (i) any amendment extending the term of an Award beyond its original expiry date except as otherwise permitted by the RSU/DSU Plan;
 - (ii) any amendment extending the term of an Award beyond its original expiry date if the Grantee is an Insider at the time of the proposed extension (which would require Disinterested Shareholder Approval);
 - (iii) any amendment increasing the maximum aggregate number of Shares that may be subject to issue at any given time in connection with Awards granted under the RSU/DSU Plan;
 - (iv) any amendment to these amendment provisions;
 - (v) the adoption of any option exchange involving an Award; and
 - (vi) any other amendment required to be approved by shareholder under applicable law or rules of a Exchange.

To the extent of any conflict between subsection 10(b) and subsection 10(c) hereof, subsection 10(c) shall prevail.

11. **REGULATORY APPROVAL**

Notwithstanding anything herein to the contrary, the Issuer shall not be obligated to cause to be issued any Shares or cause to be issued and delivered any certificates evidencing Shares pursuant to the RSU/DSU Plan, unless and until the Issuer is advised by its legal counsel that the issue and delivery of the Shares and such Share certificates is in compliance with all applicable laws, regulations, rules, orders of governmental or regulatory authorities in Canada, the United

States and any other applicable jurisdiction, and the requirements of the Exchange. The Issuer shall in no event be obligated to take any action in order to cause the issue or delivery of Shares or such certificates to comply with any such laws, regulations, and delivery of such Shares or certificates and in order to ensure compliance with such laws, regulations, rules, orders and requirements, that the Participant, or any permitted transferee of the Participant under section 7 hereof or, after his or her death, the Participant's estate, as described in section 7 hereof, make such covenants, agreements and representations as the Granting Authority deems necessary or desirable.

12. NO ADDITIONAL RIGHTS

No Person shall have any claim or right to be granted Awards under the RSU/DSU Plan, and the grant of any Awards under the RSU/DSU Plan shall not be construed as giving a Participant any right to continue in the employment of the Issuer or affect the right of the Issuer to terminate the employment of a Participant. Unless otherwise determined by the Granting Authority, neither any period of notice, if any, nor any payment in lieu thereof, upon Termination shall be considered as extending the period of employment for the purposes of the RSU/DSU Plan.

13. MISCELLANEOUS PROVISION

- (a) **Shareholder Rights.** A Participant shall not have the right or be entitled to exercise any voting rights, receive any dividends or have or be entitled to any other rights as a shareholder in respect of Shares subject to an Award unless and until such Shares have been paid for in full and issued and certificates therefor have been issued to the Participant. A Participant entitled to Shares as result of the settlement of a Restricted Share Unit or Deferred Share Unit shall not be deemed for any purpose to be, or have any such rights as a shareholder of the Issuer by virtue of such exercise or settlement, except to the extent a Share certificate is issued therefor and then only from the date such certificate is issued. No adjustment shall be made for dividends or distributions or other rights for which the record date is prior to the date such Share certificate is issued.
- (b) **Withholding.** The Issuer may withhold from any amount payable to a Participant, either under this RSU/DSU Plan or otherwise, such amount as may be necessary so as to ensure that the Issuer will be able to comply with the applicable provisions of any federal, provincial, state or local law relating to the withholding of tax or that any other required deductions are paid or otherwise satisfied, at the minimum statutory rate. Subject to the other provisions of the RSU/DSU Plan, the Issuer shall also have the right in its discretion to satisfy any such liability for withholding or other required deduction amounts by retaining or acquiring any Shares, or retaining any amount payable, which would otherwise be issued or delivered, provided or paid to a Participant hereunder. The Issuer may require a Participant, as a condition to the settlement of a Restricted Share Unit or a Deferred Share Unit, to pay or reimburse the Issuer for any such withholding (at the minimum statutory rate) or other required deduction amounts related to the settlement of Restricted Share Units or Deferred Share Units.
- (c) **Governing Law.** The RSU/DSU Plan, all instruments of grant evidencing Awards granted hereunder and any other agreements or other documents relating to the RSU/DSU Plan shall be interpreted and construed in accordance with the laws of Ontario (and the federal laws having application therein), except to the extent the

terms of the RSU/DSU Plan, any supplement to the RSU/DSU Plan, or the Award in question expressly provides for application of the laws of another jurisdiction. The Granting Authority may provide that any dispute as to any Award shall be presented and determined in such forum as the Granting Authority may specify, including through binding arbitration. Any reference in the RSU/DSU Plan, in any instruments of grant evidencing Awards granted hereunder or in any other agreement or document relating to the RSU/DSU Plan to a provision of law or to a rule or regulation shall be deemed to include any successor law, rule or regulation of similar effect or applicability.

- (d) **Compliance with Securities Laws.** The obligation of the Issuer to issue and deliver Shares in accordance with the RSU/DSU Plan is subject to applicable securities legislation and to the receipt of any approvals that may be required from any regulatory authority or stock exchange having jurisdiction over the securities of the Issuer. If Shares cannot be issued to a Participant upon the exercise of an Award for any reason whatsoever, the obligation of the Issuer to issue such Shares shall terminate and any funds paid to the Issuer in connection with the exercise of such Award will be returned to the relevant Participant as soon as practicable.
- (e) **Compliance with Laws of Other Jurisdictions.** Awards may be granted to Participants who are citizens or residents of a jurisdiction other than Canada or the United States on such terms and conditions different from those under the RSU/DSU Plan as may be determined by the Granting Authority to be necessary or advisable to achieve the purposes of the RSU/DSU Plan while also complying with applicable local laws, customs and tax practices, including any such terms and conditions as may be set forth in any supplement to the RSU/DSU Plan intended to govern the terms of any such Award. In no event shall the eligibility, grant, exercise or settlement of an Award constitute a term of employment, or entitlement with respect to employment, of any employee.
- (f) **Funding.** Except as would not result in adverse tax consequences to a Participant, no provision of the RSU/DSU Plan shall require or permit the Issuer, for the purpose of satisfying any obligations under the RSU/DSU Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or otherwise to segregate any assets, nor shall the Issuer maintain separate bank accounts, books, records or other evidence of the existence of a segregated or separately maintained or administered fund for such purposes. Participants shall have no rights under the RSU/DSU Plan other than as unsecured general creditors of the Issuer, except that insofar as they may have become entitled to payment of additional compensation by performance of services, they shall have the same rights as other Eligible Persons under general law.
- (g) **No Guarantee of Tax Consequences.** Neither the Board, nor the Issuer nor the Granting Authority makes any commitment or guarantee that any specific tax treatment will apply or be available to any Person participating or eligible to participate hereunder.

14. **EFFECTIVE DATE AND TERM OF RSU/DSU PLAN**

- (a) **Effective Date of the Plan.** The RSU/DSU Plan shall initially become effective on the Shareholder Approval Date, and any subsequent amendments to the

RSU/DSU Plan, shall become effective upon their adoption by the Board, subject to approval by the shareholders of the Issuer at the next annual meeting of shareholders of the Issuer or any adjournment thereof, to the extent required. The effective date of this RSU/DSU Plan, as so amended, shall be the date of approval by the shareholders of the Issuer. If the shareholders do not approve the RSU/DSU Plan, or any amendments to the RSU/DSU Plan requiring shareholder approval, the RSU/DSU Plan or such amendments shall not be effective, and any and all actions taken prior thereto under the amendments effected hereby, including the making of any Awards subject to such approval being obtained, shall be null and void or shall, if necessary, be deemed to have been fully rescinded. However, in such case the Stock Option Plan shall remain in effect.

- (b) **Effect on Existing Awards.** Subject to subsection 14(a) hereof all new Awards granted on or after the effective date of the amendments as provided in subsection 14(a) hereof are granted under and subject to the terms of this RSU/DSU Plan as amended and restated and all outstanding Options granted under the Stock Option Plan shall continue to be governed by the terms of the Stock Option Plan and to the terms of their individual option agreements as in effect from time to time including provisions concerning change of control or other related events.

- (c) **Termination.** The Board may suspend or terminate the RSU/DSU Plan at any time, provided that such suspension or termination shall not affect any Awards that became effective pursuant to the RSU/DSU Plan prior to such termination or suspension. The RSU/DSU Plan shall automatically terminate on failure to receive requisite shareholder confirmation every year (or such other period of time as required by the Exchange) from the date of its initial approval by shareholders provided that such termination shall not affect any Awards that became effective pursuant to the RSU/DSU Plan prior to such termination.

SCHEDULE A RESTRICTED SHARE UNIT AGREEMENT

[All Awards issued to Insiders must include the following legend:

Without prior written approval of the TSX Venture Exchange and compliance with all applicable securities legislation, the securities represented by this agreement and the shares issuable upon the vesting thereof may not be sold, transferred, hypothecated or otherwise traded on or through the facilities of TSX Venture Exchange or otherwise in Canada or to or for the benefit of a Canadian resident until [insert the date that is four months and one day after the Grant Date of the Award].

THIS RESTRICTED SHARE UNIT AGREEMENT (the "**Agreement**") is made as of the ● day of ●, ●.

B E T W E E N:

iMETAL RESOURCES LTD.

(herein called the "**Issuer**")

- and -

●

(herein called the "**Grantee**")

This Agreement is made pursuant to the terms and conditions of the Issuer's Restricted Share Unit and Deferred Share Unit Compensation Plan (in effect from time to time, the "**RSU/DSU Plan**"), which is incorporated by reference herein. The Grantee accepts the terms and conditions of the RSU/DSU Plan and all rules and procedures adopted thereunder, as amended from time to time. In the event of any inconsistency between the terms of this Agreement and the terms of the RSU/DSU Plan, the terms of the RSU/DSU Plan shall prevail. Certain terms with initial capital letters used in this Agreement have the meanings set out in the RSU/DSU Plan.

Each RSU (as defined below) granted to the Grantee hereunder represents a right of the Grantee to receive one common share of the Issuer as presently constituted (each a "**Share**") on the terms set out herein.

The Issuer has granted to the Grantee, as of the Grant Date set out in exhibit 1 attached hereto, that number of restricted share units (the "**RSUs**") equal to the number of RSUs set out in exhibit 1 attached hereto, upon the terms and conditions set out in this Agreement, including the following:

Restricted Share Units. Each RSU granted to the Grantee hereunder represents a right of the Grantee to receive one Share on the date the said RSU vests.

Grantee's Notional Account. The Issuer shall maintain in its books a notional account for the Grantee (the "Grantee's Account") recording the number of RSUs granted to the Grantee and the number of RSUs that have Vested. Upon payment in satisfaction of vested RSUs through the issue of Shares from treasury, such Vested RSUs shall be cancelled.

Vesting. Subject to the earlier vesting provisions set out herein, the RSUs granted by the Issuer to the Grantee as set out on exhibit 1 attached hereto shall vest in accordance with the vesting provisions set out on exhibit 1 attached hereto (provided that in no event will the Grantee become entitled to acquire a fraction of a Share).

In the event of an Accelerated Vesting Event while the Grantee is employed by or is a director of the Issuer or a subsidiary of the Issuer, the non-vested RSUs will immediately become 100% vested.

If the Grantee terminates employment with the Issuer and its Subsidiaries for any reason other than death, any non-vested RSUs granted hereunder will be immediately cancelled without liability or compensation therefor and be of no further force and effect. For clarity, where the Grantee voluntarily terminates his/her employment with the Issuer or is otherwise terminated by the Issuer for cause, all non-Vested RSUs of the Grantee shall be immediately cancelled without compensation or liability therefor and be of no further force and effect.

Settlement of Vested RSUs. Unless otherwise directed by the Issuer's directors in writing, payment to the Grantee in respect of Vested RSUs will be made in the form of Shares only and will be evidenced by book entry registration or by a certificate registered in the name of the Grantee as soon as practicable following the date on which the RSUs become Vested; provided that the settlement date shall not be later than the third anniversary of the Grant Date and all payments in respect of Vested RSUs in the Grantee's Account shall be paid in full on or before December 31 of the same calendar year.

No Shareholder Rights. The Grantee will have none of the rights of a shareholder of the Issuer with respect to any Shares underlying the RSUs, including the right to vote such shares and receive any dividends that may be paid thereon, until such time, if any, that the Grantee has been determined to be a shareholder of record by the Issuer's transfer agent or one or more certificates of Shares are delivered to the Grantee in settlement thereof. Further, nothing herein will confer upon the Grantee any right to remain in the employ of the Issuer or its Subsidiaries.

RSUs Non-Transferable. RSUs are non-transferable (except to a Grantee's estate as contemplated under this Agreement).

No Other Benefit. No amount will be paid to, or in respect of, the Grantee under the RSU/DSU Plan to compensate for a downward fluctuation in the value of the Shares, nor will any other form of benefit be conferred upon, or in respect of, the Grantee for such purpose.

The Issuer makes no representations or warranties to the Grantee with respect to the RSU/DSU Plan or the RSUs whatsoever. The Grantee is expressly advised that the value of the RSUs in the RSU/DSU Plan will fluctuate as the value of Shares fluctuates.

In seeking the benefits of participation in the RSU/DSU Plan, the Grantee agrees to exclusively accept all risks associated with a decline in the value of Shares and all other risks associated with participation in the RSU/DSU Plan.

Withholding Tax. As set out in section 13 of the RSU/DSU Plan, if the Issuer determines that under the requirements of applicable tax laws the Issuer is obligated to withhold for remittance to any taxing authority any amount, the Issuer may require the Grantee to pay to the Issuer, such amount as the Issuer is obliged to remit in connection with the issue of the Shares as set out in section 13 of the RSU/DSU Plan.

Income Taxes: The Grantee acknowledges that he/she will be liable for income tax relating to grants and dispositions of RSUs. The Grantee hereby acknowledges that the Issuer is making no representation to him/her regarding taxes applicable to the Grantee and the Grantee will confirm the tax treatment with his/her own tax advisor.

No Inducement. By executing a copy of this Agreement, the Grantee hereby accepts the grant of RSUs and hereby confirms and acknowledges that his or her participation in the RSU/DSU Plan is voluntary and that he or she has not been induced to enter into this Agreement or participate in RSU/DSU Plan by expectation of employment or continued employment with the Issuer.

Reorganization. The existence of any RSUs shall not affect in any way the right or power of the Issuer or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Issuer's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Issuer or to create or issue any bonds, debentures, shares or other securities of the Issuer or the rights and conditions attaching thereto or to effect the dissolution or liquidation of the Issuer or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

Binding Effect. This Agreement shall enure to the benefit of and be binding upon the Issuer and the Grantee and each of their respective heirs, executors, administrators and successors.

Unfunded and Unsecured RSU/DSU Plan. Unless otherwise determined by the Board, this Agreement and the RSU/DSU Plan shall be unfunded and the Issuer will not secure its obligations under this Agreement or the RSU/DSU Plan. To the extent any Grantee or his or her estate holds any rights by virtue of a grant of RSUs under this Agreement, such rights (unless otherwise determined by the Board) shall be no greater than the rights of an unsecured creditor of the Issuer.

Governing Law. This Agreement shall be governed by, and interpreted in accordance with, the laws of the Province of Ontario and the laws of Canada applicable therein, without regard to principles of conflict of laws.

Effective Date. The effective date of this Agreement shall be the Grant Date.

Severability. The invalidity or unenforceability of any provision of the RSU/DSU Plan or Agreement shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from this Agreement.

THIS DEFERRED SHARE UNIT AGREEMENT (the "Agreement") is made as of the • day of •, •

B E T W E E N:

iMETAL RESOURCES LTD.

(herein called the "Issuer")

- and -

•

(herein called the "Grantee")

This Agreement is made pursuant to the terms and conditions of the Issuer's Restricted Share Unit and Deferred Share Unit Compensation Plan (in effect from time to time, the "RSU/DSU Plan"), which is incorporated by reference herein. The Grantee accepts the terms and conditions of the RSU/DSU Plan and all rules and procedures adopted thereunder, as amended from time to time. In the event of any inconsistency between the terms of this Agreement and the terms of the RSU/DSU Plan, the terms of the RSU/DSU Plan shall prevail. Certain terms with initial capital letters used in this Agreement have the meanings set out in the RSU/DSU Plan.

The Issuer has granted to the Grantee, as of the Grant Date set out in exhibit 1 attached hereto, that number of deferred share units (the "DSUs") equal to the number of DSUs set out in exhibit 1 attached hereto upon the terms and conditions set out in this Agreement, including the following:

Definitions:

- (a) "**Distribution Date**" means either the Separation Date or such later date as the Grantee may elect (by written notice delivered to the Issuer prior to the Separation Date), provided that in no event shall a Grantee be permitted to elect a date which is later than December 1 of the calendar year following the calendar year in which the Separation Date occurs. In the case of death of a Grantee, the Distribution Date shall have the meaning ascribed to it under section 5 hereof;
- (b) "**Related Entity**" has the meaning ascribed to the term "related entity" in section 2.22 of National Instrument 45-106 – *Prospectus Exemptions* of the Canadian Securities Administrators, as amended from time to time; and
- (c) "**Separation Date**" means the date on which the Grantee ceases service as a director, and is not at that time an employee or officer, of the Issuer or a Related Entity.

Deferred Share Units. Each Vested DSU granted to the Grantee hereunder represents a right of the Grantee to receive one Share on the Distribution Date.

Grantee's Notional Account. The Issuer shall maintain in its books a notional account for the Grantee (the "Grantee's Account") recording the number of DSUs granted to the Grantee and the number of DSUs that have Vested. Upon payment in satisfaction of Vested DSUs through the issue of Shares on or about the Distribution Date (in accordance with the provisions herein), such Vested DSUs shall be cancelled as of the applicable Distribution Date.

Vesting. Subject to the earlier vesting provisions set out herein, the DSUs granted by the Issuer to the Grantee as set out on exhibit 1 attached hereto shall vest in accordance with the vesting provisions set out on exhibit 1 attached hereto, provided that where a Grantee is terminated for cause, resigns or, in the case of a director of the Issuer, is otherwise removed as a result of losing his/her eligibility to serve on the Board due to an order by a regulatory body or stock exchange or for culpable conduct as determined by the Granting Authority, all unvested DSUs in the Grantee's account shall be immediately cancelled without liability or compensation therefor and be of no further force and effect (unless otherwise determined by the Granting Authority).

Notwithstanding the vesting provisions above, in the event of an Accelerated Vesting Event while the Grantee is employed by or is a director of the Issuer or a Related Entity, the non-vested DSUs will immediately become 100% vested.

In no event will the Grantee become entitled to acquire a fraction of a Share.

Distribution of Vested DSUs. The Issuer shall within 10 business days after the Distribution Date issue to the Grantee a number of Shares equal to the number of Vested DSUs in the Grantee's Account. In the case of a Grantee's Death, the Distribution Date shall be on or before the 30th business day after the Issuer is duly notified of the death of the Grantee and such distribution shall be made to the estate of the Grantee.

Reporting of DSUs. Statements of the Grantee's Account will be provided to Grantees on an annual basis.

No Shareholder Rights. The Grantee will have none of the rights of a shareholder of the Issuer with respect to any Shares underlying the DSUs, including the right to vote such shares and receive any dividends that may be paid thereon, until such time, if any, that the Grantee has been determined to be a shareholder of record by the Issuer's transfer agent or one or more certificates of Shares are delivered to the Grantee in settlement thereof. Further, nothing herein will confer upon the Grantee any right to remain in the employ of the Issuer or its Subsidiaries.

DSUs Non-Transferable. DSUs are non-transferable (except to a Grantee's estate as provided for in this Agreement).

No Other Benefit. No amount will be paid to, or in respect of, the Grantee under the RSU/DSU Plan to compensate for a downward fluctuation in the value of the Shares, nor will any other form of benefit be conferred upon, or in respect of, the Grantee for such purpose.

The Issuer makes no representations or warranties to the Grantee with respect to the RSU/DSU Plan or the DSUs whatsoever. The Grantee is expressly advised that the value of the DSUs in the RSU/DSU Plan will fluctuate as the value of Shares fluctuates.

In seeking the benefits of participation in the RSU/DSU Plan, the Grantee agrees to exclusively accept all risks associated with a decline in the value of Shares and all other risks associated with participation in the RSU/DSU Plan.

Withholding Tax. As set out in section 13 of the RSU/DSU Plan, if the Issuer determines that under the requirements of applicable tax laws, the Issuer is obligated to withhold for remittance to any taxing authority any amount, the Issuer may require the Grantee to pay to the Issuer, such amount as the Issuer is obliged to remit in connection with the issue of the Shares as set out in section 13 of the RSU/DSU Plan.

Income Taxes: The Grantee acknowledges that he/she will be liable for income tax relating to grants and dispositions of DSUs. The Grantee hereby acknowledges that the Issuer is making no representation to him/her regarding taxes applicable to the Grantee and the Grantee will confirm the tax treatment with his/her own tax advisor.

No Inducement. By executing a copy of this Agreement, the Grantee hereby accepts the grant of DSUs and hereby confirms and acknowledges that his or her participation in the RSU/DSU Plan is voluntary and that he or she has not been induced to enter into this Agreement or participate in RSU/DSU Plan by expectation of employment or continued employment with the Issuer.

Reorganization. The existence of any DSUs shall not affect in any way the right or power of the Issuer or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Issuer's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Issuer or to create or issue any bonds, debentures, shares or other securities of the Issuer or the rights and conditions attaching thereto or to effect the dissolution or liquidation of the Issuer or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

Binding Effect. This Agreement shall enure to the benefit of and be binding upon the Issuer and the Grantee and each of their respective heirs, executors, administrators and successors.

Unfunded and Unsecured RSU/DSU Plan. Unless otherwise determined by the Board, this Agreement and the RSU/DSU Plan shall be unfunded and the Issuer will not secure its obligations under this Agreement or the RSU/DSU Plan. To the extent any Grantee or his or her estate holds any rights by virtue of a grant of DSUs under this Agreement, such rights (unless otherwise determined by the Board) shall be no greater than the rights of an unsecured creditor of the Issuer.

Governing Law. This Agreement shall be governed by, and interpreted in accordance with, the laws of the Province of Ontario and the laws of Canada applicable therein, without regard to principles of conflict of laws.

Effective Date. The effective date of this Agreement shall be the Grant Date.

Severability. The invalidity or unenforceability of any provision of the RSU/DSU Plan or this Agreement shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from this Agreement.
